---

The Bronzeville Homebuyer Assistance (HBA) Program provides assistance to individuals who are buying a City owned home for homeownership in the Bronzeville Initiative area.

The program provides the following:

- Technical Assistance to help develop a Scope of Work for the property, obtain bids, and select a contractor

### **HOW TO APPLY:**

The Bronzeville Homebuyer Assistance (HBA) Program follows the same application procedures as the City's Homebuyer Assistance Program. Visit [www.milwaukee.gov/HBA](http://www.milwaukee.gov/HBA) to view the application process and review program qualifications. The only difference for the Bronzeville Homebuyer Assistance (HBA) Program is the following:

- *Additional funding* – If you are buying a city-owned home in the Bronzeville Initiative area, you are eligible for a forgivable loan of up to \$25,000 instead of the \$20,000 currently offered under the Homebuyer Assistance Program.

Visit [www.milwaukee.gov/HBA](http://www.milwaukee.gov/HBA) or call (414) 286-5608 to receive an application.
