

Facts & Stats

Eye doctor visits can be expensive. From wellness care to significant incidents, vision insurance is a smart way to protect your eyesight and pocketbook.

11 million Americans over the age of 12 need vision correction.¹

With competitive employee rates, you can get MetLife Vision for monthly rates less than the cost of...

1 gallon
of milk per week

Monthly
Netflix subscription
(standard plan)

Based on average costs at national retail chains²

Coffee Fix
1x per week,
medium cup

How it works

The plan is easy to use. When you go to a participating vision specialist, there are no claims to file. You don't even need an ID card.

Vision care services without a vision plan can be expensive. Out-of-pocket costs can add up fast. See how much you could save with MetLife Vision in this example.

Benefit Type	In-Network Coverage	Out-of-Network Reimbursement	Frequency
Eye Examination (one per frequency) <ul style="list-style-type: none"> Comprehensive exam of visual functions and prescriptive corrective eyewear 	\$0	Covered up to \$45 allowance	12 months
