# About Long-Term Disability Insurance

## CONDITIONS THAT COULD LEAD TO A LONG-TERM DISABILITY CLAIM INCLUDE:

- ✓ Surgery
- ✓ Injury
- ✓ Illness
- ✓ Accident

### ▶ HELPS YOU KEEP YOUR LIFE ON TRACK.

An accident or illness can put your life on hold. It may even mean you can't work. How do you pay your bills? Long-term disability replaces part of your income if you can't work due to a covered disability. You can use this money to help you pay everyday expenses, like your mortgage or rent, utilities, childcare and groceries.

After a claim is approved, benefits will continue for the policy's benefit period or until an employee is no longer disabled (whichever comes first) and helps provide financial security when it is needed most.

All eligible City of Milwaukee and HACM employees (excluding sworn Fire and Police) who have been on the payroll for 6 months (excluding any leave of absence) are enrolled in the basic benefit beginning on the first of the month following the 6 month waiting period.

### The Long Term Disability Insurance Program features two parts:

<b>Basic Benefit</b>	Provided by the City at no cost to eligible City of Milwaukee and HACM employees. This plan has a 180 calendar day waiting period.
<b>Buy-Up Plan (to shorten the waiting period)</b>	Eligible general city and HACM employees can enroll in a 60, 90 or 120 calendar day benefit waiting period. There is an additional cost to employees, which will be deducted from their paycheck.

**WHETHER YOU CHOOSE TO STAY WITH THE BASIC BENEFIT OR PAY THE ADDITIONAL COST FOR THE BUY-UP PLAN CAN VARY DEPENDING ON YOUR CIRCUMSTANCES.**

**HERE IS AN EXAMPLE OF HOW LONG-TERM DISABILITY INSURANCE CAN HELP.**

Mark was enrolled in long-term disability insurance when he became a full-time employee several years ago. He could no longer work at his City job after he started having severe vision problems due to diabetes. Mark had elected a buy-up option with a 90 day and has exhausted his sick leave, benefit waiting period. If he is still disabled after 90 days, he is eligible to begin collecting benefits. The policy provides a maximum benefit of 60% of pay, up to \$5,000 a month, and a maximum benefit duration of five years.

If Mark’s disability prevents him from working for 10 months, here are the benefits he could collect if his sick leave benefits are exhausted during the buy-up period:

**SAMPLE LTD BENEFIT PAYMENT**

Mark’s monthly pay	\$3,500
Mark’s maximum monthly benefit	60%
Mark’s monthly benefit	= \$2,100
Mark’s approved benefit duration	x 7 months
Mark’s total long-term disability benefit	= \$14,700

**ADDITIONAL CONSIDERATIONS**

<b>If I have other income</b>	Income from other sources may reduce your benefit amount. These may include disability benefits from social security, retirement/pensions, government plans or state disability income; other group disability plans; no-fault benefits, salary continuance or sick leave, and return-to-work earnings.
<b>If I can work while disabled</b>	Your plan is designed to encourage and support your return to work. If you are able to work part-time for example, you may receive part of your benefit while working.
