

EMPLOYEE BICYCLE PARKING

Downtown City employees who bike to work can use secure, indoor Employee Bicycle Parking at the Zeidler Municipal Building. Bike racks are located in the northwest corner of the Lower Parking garage of ZMB, which can be accessed by entering through the service door on Market Street.

HOW DO I GET ACCESS TO THE BICYCLE PARKING AREA?

Ask your supervisor to have key card access to the Lower Parking garage added to your City ID badge for the purpose of using the Employee Bicycle Parking Area. ID badge changes should be directed to DPW Bridges & Buildings / Security at extension 3408 or send an e-mail to DPWSECURITYREQUEST@milwaukee.gov.
