# BAAERG Black History Month SCAVENGER HUNT

**Overview:** This is a team-based or individual scavenger hunt that guides participants through key Milwaukee locations connected to African American history, culture, leadership, and achievement.

## Instructions

### 1. Form Your Team

- Employees will participate in small teams (size determined by organizers).
- You can participate individually however, cross-department teams are encouraged to foster connection and collaboration.

### 2. Follow the Map

- Teams will receive a map and clues of designated landmarks.
- You may walk or drive depending on the distance between locations.

### 3. Visit Each Landmark

- Read a brief historical prompt about the site.
- Answer a reflection or knowledge-based question as a team.
- Complete a team check-in, such as:
  - A group photo
  - A short written reflection

### 4. Share Your Experience

- Teams are encouraged to share photos or reflections with BAAERG
- Highlights may be featured in internal communications celebrating Black History Month
