Dear City of Milwaukee Employees and Spouses:

The Wellness and Prevention Labor Management Committee, in partnership with Workforce Health, strives to promote healthy lifestyles for City of Milwaukee employees and their families through the Wellness Your Choice Milwaukee Program. This is the ten-year anniversary of the City’s wellness program which has increased from one component, the Health Appraisal, to over 25 programs and initiatives that employees and spouses engage in year round. The City’s wellness program is designed by employees for employees which has significantly contributed to its continual growth and success. Employees’ participation and engagement have contributed to lower healthcare premiums compared to other organizations where premiums are significantly higher than the City’s.

See below for important information and deadlines for the Health Appraisal and Healthy Rewards program. Participation in the Health Appraisal is not mandatory, but if you anticipate you and your spouse will take the City’s 2020 health insurance, you must complete the 2019 Health Appraisal to avoid a fee (see next page).

Health Appraisal starts July 29, 2019 and ends December 7, 2019

- All steps for the health appraisal are completed in one appointment including labs/biometrics, electronic interest assessment and meeting with a health educator.
- An 8 hour fast is required prior to the Health Appraisal appointment.
- The wellness portal is used to schedule the Health Appraisal, review lab results and schedule tobacco education sessions. www.workforcehealth.org/cityofmilwaukee
- No lab results are mailed: participants must check the wellness portal
- There are no exceptions to the Health Appraisal scheduling timeframe.

Healthy Rewards Program starts July 1, 2019 and ends June 30, 2020

- Participants must complete the Health Appraisal to be eligible for Healthy Rewards.
  - Participants can earn 3 levels of points to earn a Health Reimbursement Account (HRA):
    - 75 Points = $150 (total) HRA
    - 100 Points = $250 (total) HRA
    - 125 Points = $350 (total) HRA
  - Participants who complete the Health Appraisal are automatically awarded biometric points.
  - Biometric rechecks are available at the City’s Wellness Center and Workplace Clinic. Participants can also complete a health action plan for biometric points.
  - Participants earn points through a variety of other activities to qualify for an award tier.
  - The Wellness Portal allows participants to view point totals, submit points, schedule coaching appointments and other activities.

Contact Workforce Health at 414-777-3410 with questions regarding the enclosed materials.

We hope you take advantage of this comprehensive benefit and engage in the many free programs and services available through the City’s health and wellness program.

Your partners in health,
Members of the Wellness and Prevention Labor Management Committee

Healthy Rewards is the City’s incentive-based wellness program where participants can earn 3 levels of points to earn a Health Reimbursement Account (HRA) up to $700 if spouse completes the program. Participants do not need to be enrolled in the City’s health insurance to participate.

Tiered Points and Awards System:

- 75 Points = $150 (total) HRA
- 100 Points = $250 (total) HRA
- 125 Points = $350 (total) HRA

How the Program Works:

- Participants must complete the 2019 Health Appraisal to be eligible for Healthy Rewards.
- Employees and spouses who complete the 2019 Health Appraisal are automatically awarded biometric points.
- If biometric results are outside of the optimal range and points do not meet the minimum 20 point requirement, participants have two options to earn points:
  1. Complete appropriate health action plan(s) available through the wellness portal as soon as you receive your biometric results.
  2. Have your biometrics rechecked at the Wellness Center or Workplace Clinic located inside the Zeidler Municipal Building starting February 1, 2020.
- Additional point opportunities (see other side) are available throughout the year and can be submitted at your health appraisal appointment, Wellness Center, Traveling Wellness Center, wellness portal or Onsite Nurse Liaison.
- Allow up to 2 weeks for points to appear in the wellness portal. If points are not posted, refer back to the program details to ensure points meet program requirements.
- Wellness portal: www.workforcehealth.org/cityofmilwaukee View point balance, submit Healthy Rewards paperwork, review program requirements, schedule coaching appointments and register for fitness and wellness classes.
