

2020 Workforce Health Flu Clinics for City of Milwaukee Employees and Spouses

Protect Yourself and Those Around You - Get a Seasonal Flu Shot!

Employees and spouses can go to a Workforce Health flu clinic and obtain a flu shot at no charge, regardless of enrollment in the City's health insurance.

To make an appointment, visit the wellness portal www.workforcehealth.org/cityofmilwaukee and go to the Health Appraisal tab, click on "schedule your health appraisal" and schedule your flu shot. Please call 414-777-3410 with questions. Walk-ins are welcome, but appointments will be taken first.

According to the Centers for Disease Control (CDC), one of the best ways to prevent the flu is getting vaccinated each year. Annual flu shots are covered at 100% if you take the City's UHC health insurance and when you use a contracted network flu shot provider, your primary care physician, or one of the UHC contracted retail pharmacies including Walgreens, CVS, Target, Meijer, etc.

Employees and spouses who receive a flu shot earn **5 Healthy Rewards points!**
