

# Winter is here!

## Try a virtual visit with the Workplace Clinic

**Virtual visits are convenient and fast.  
And, if you need a prescription, it will be sent to the  
pharmacy of your choice during your visit.**

The provider at the **City of Milwaukee Workplace Clinic** can treat you from the comfort of wherever you are for conditions such as:

### Common Ailments

- Cold
- Cough
- Fever
- Flu
- Headaches/migraines

### Eye

- Eye infection
- Eye irritation
- Pink eye
- Stye

### Gastrointestinal

- Diarrhea
- Heartburn/GERD
- Nausea
- Upset stomach
- Vomiting

### Nose & Throat

- Laryngitis
- Pharyngitis
- Sinus infection
- Sore throat
- Stuffy nose

### Respiratory

- Bronchitis
- Chest congestion
- Infections
- Pet allergies
- Seasonal allergies

### Skin & Nails

- Acne, lesions
- Athlete's foot, ingrown nail
- Cold Sores
- Dry skin/eczema
- Poison ivy/oak
- Rashes/hives, infections

### Women's Health

- Urinary tract infection (Bladder)
- Yeast infection

Virtual visits are available during regular clinic hours. The provider will always assess your condition individually and, based on your unique circumstances including the severity of the illness, may need to refer you for in-person care for proper diagnosis and treatment.

To make an appointment,  
call the **City of Milwaukee Workplace Clinic** at 414-777-3413.  
Or, visit [my.froedtert.com](https://my.froedtert.com) or the **Froedtert & MCW app** to make an  
appointment if you are an established Workplace Clinic patient.
