Onsite Nurse Liaison

What is a Nurse Liaison

The Nurse Liaison, Mari Cohn, is available to identify resources to help City of Milwaukee employees and spouses improve their health and wellbeing. The Nurse Liaison is available for in-person, telephonic or virtual visits.

Nurse Liaison Services

- Identify risk factors to improve overall health
- Improve understanding of health and medical conditions and discuss treatment options
- Provide group educational sessions to employees
- Help with chronic condition management such as Diabetes, Hypertension, Asthma and Heart Disease
- Educate and refer employees to available health and wellness programs and services
- Monitor blood pressure, weight, and BMI
- Assist with medical and pharmacy claim questions and issues
- Navigate UnitedHealthcare's tools and resources including finding Primary Care Physicians and Specialists

Cost: This service is FREE for City of Milwaukee employees and spouses regardless of enrollment in the City's health insurance.

New safety precautions in place for in-person visits:

- Face coverings are required during appointments
- Social distancing of at least 6 feet must be maintained
