Conditional Construction Permit Request

Permit & Development Center
809 N. Broadway, Milwaukee, WI 53202 | (414) 286-8211 | milwaukee.gov/permits | DevelopmentCenterInfo@milwaukee.gov

This form is used to apply for a Conditional Construction Permit to allow a footing and foundation permit or an alteration permit to be issued while an application for Board of Zoning Appeals, Certified Survey Map, Zoning Change, or similar amendment (requiring common council approval) is pending.

Applications will be acted upon only after an application for the proposed amendment has been filed with the appropriate city agency and support of the alderman has been obtained.

The fee for a conditional permit is **$264.00**; payable at the time this conditional permit application is submitted to the Development Center. No refunds are provided if the request is denied.

It is required that an applicant seek the support of the district alderperson when applying for a Conditional Certificate of Occupancy.

Return the completed form to the Development Center, 1st floor, 809 N. Broadway, or fax it to (414) 286-0232.
