Award will be made in total to the lowest responsive and responsible bidder complying with the bid specifications and delivery requirements.

The low bidder shall be determined by multiplying the quoted unit price by the quantity to obtain the grand total.

If a Local Business Enterprise (LBE) is a responsive and responsible bidder, the LBE shall be awarded the contract provided its bid does not exceed the lowest bid by more than 5% and the difference does not exceed \$25,000.

Contracts shall be awarded to the lowest responsible bidder who qualifies for the City of Milwaukee-Made, Milwaukee County-Made or American-Made program (Ordinance 310-18.9) if:

- The bidder submits an affidavit with their bid indicating they meet the requirements of the Ordinance, and
- The bid does not exceed the lowest bid by more than 12% or \$25,000.

Any bidder proposing to supply goods under Ordinance 310-18.9 shall not also receive the benefit of the bid award provided under the Local Business Enterprise program. If a Milwaukee-made good is not available, the city shall then purchase a Milwaukee county-made good, provided the purchase does not increase the cost by more than 12% or \$25,000. If a Milwaukee-made or Milwaukee county-made good is not available, the city shall then purchase an American-made good, provided the purchase does not increase the cost by more than 12% or \$25,000.
