**City of Milwaukee Health Department to Offer Additional Saturday Immunization Clinics**

*Feb. 7 and Feb. 14 immunization clinics to offer school-required vaccinations*

MILWAUKEE – The City of Milwaukee Health Department will open its Southside Health Center (1639 S. 23<sup>rd</sup> St.) on Saturday, Feb. 7, and Keenan Health Center (3200 N. 36<sup>th</sup> St.) on Saturday, Feb. 14, to provide Milwaukee parents additional hours to access school-required immunizations, including the Measles, Mumps, Rubella (MMR) vaccine. Clinic hours will run from 10 a.m. to 2 p.m. both days.

Wisconsin law requires that children be immunized against a range of illnesses, such as mumps, measles, and pertussis, in order to attend school and child care settings. These special clinics are being offered to assist parents in complying with state law to avoid children being excluded from school.

The MHD offers regular immunization clinic hours on the below dates and times:

Mondays	Southside Health Center (1639 S. 23 <sup>rd</sup> St.)	3-6 p.m.
Tuesdays	Southside Health Center (1639 S. 23 <sup>rd</sup> St.)	1-4 p.m.
Wednesdays	Northwest Health Center (7630 W. Mill Rd.)	3-6 p.m.
Fridays	Keenan Health Center (3200 N. 36 <sup>th</sup> St.)	8-11 a.m.
