###

City-County Heroin, Opioid, and Cocaine Task Force (CCHOCTF)

The City-County Heroin, Opioid, and Cocaine Task Force (CCHOCTF) is charged with investigating and making recommendations regarding ways to ensure long-term health and safety of City and County residents by reducing fatal and nonfatal overdose from misuse of opioids, heroin, and synthetic analogs, and cocaine through data-driven public health prevention approaches. The CCHOCTF represents multiple sectors from city, county, and state agencies and those with lived experiences of substance abuse. The collective supports community-led initiatives that aim to reduce the impact of drug-related deaths in Milwaukee.
