

The City of Milwaukee Order #4.3 Update

MILWAUKEE –The new Milwaukee Health Department Order #4.3 went into effect yesterday, adding new restrictions to restaurant and bar capacity and further restricting team sports. Gating criteria monitored by the Health Department remained unchanged with two in the red category: testing and care.

“We remain in the middle of a very concerning period with high rates of COVID-19 infections, hospitalizations and deaths,” Acting Commissioner Marlaina Jackson said. “It remains essential for everyone to maintain safety precautions – including distancing, masks and avoiding group interactions with people outside their homes.”

The Milwaukee Health Department (MHD) issued a public health order last spring called ‘Moving Milwaukee Forward Safely.’ This order (available at milwaukee.gov/MMFS) uses a measured, phased approach that utilizes data-driven gating criteria that aligns with federal and state guidance. This plan outlines the measures needed for the City of Milwaukee based on the latest science. Below are the Five Key Indicators and Gating Criteria that drive our City’s advancement through the phases and guide our reopening.

These measures are reassessed every Friday but advancement through the phases can only occur 14 days after we are in a new phase. We are seeing continuing, statistically significant trends and stayed **RED** for care and testing.

Reminder – Masks are required per the MKE Cares mask ordinance, which went into effect on July 16, 2020 for the city of Milwaukee. Please report business violations of the mask laws and Order #4.3 by calling 414-286-3674 or emailing cehadmin@milwaukee.gov. Complaints will remain anonymous.

Under order #4.3, restaurants and bars are required to submit their Business COVID Safety Plan and fill out the [Risk Assessment Tool](#) to continue in person dining. (Deadline was September 15, 2020, but submittals continue to be accepted). The facility’s COVID safety plan is comprised of two pieces. A complete safety plan is comprised of supporting documentation that addresses the components of the Risk Assessment Tool. The Risk Assessment Tool can be located at: milwaukee.gov/MMFS/SafetyPlan. Documents should be sent to cehadmin@milwaukee.gov with the subject line “COVID SAFETY PLAN: [insert name and address].” They can also be mailed in dropped into the drop box located in the Zeidler Municipal Building, on the first floor, by the lead and vital records department.

There are a variety of resources for schools and businesses available online on our school resource webpage located at: milwaukee.gov/MMFS/Schools. Reminder—the MHD is continuing to review COVID-19 safety plans for schools that are located in the City of Milwaukee and desire to have options aside from virtual. Plans are reviewed in the order that they are received and prioritized by the open date. Schools will receive an approval letter from the Commissioner of Health. Additionally, the City of Milwaukee has and will continue to provide a webinar series to business owners and operators with sector specific guidance. Please visit our website milwaukee.gov/MMFS/SafetyPlan for more information on COVID-19 safety plan submission and webinars.

The City of Milwaukee key indicators for Moving Milwaukee Forward Safely have been updated as they are weekly and are available online at milwaukee.gov/coronavirus.

The recently announced Milwaukee Health Department Order #4.3 is scheduled to remain in effect until January 15, 2021 at which time it will revert to the previous Order #4.2.
