

SurvNet Reports of Communicable Diseases in Milwaukee County 2008

SurvNet is a component of a county-wide communicable disease surveillance system that is funded by the Centers for Disease Control and Prevention through Wisconsin Department of Health and Family Services and maintained and operated by the City of Milwaukee Health Department. These reports are based on date of onset and are provided as PROVISIONAL information for healthcare professionals and do NOT represent final counts of confirmed cases.

[†]% GC tested that were resistant or intermediate in resistance. Testing for Ceftriaxone resistance discontinued after April/09. ^{††}% of observed GC resistance or intermediate resistance associated with Cipro resistance or intermediate resistance only; *Confirmed includes EIA high s/co ratio, RIBA, RNA PCR, genotype, bDNA; Unspecified includes EIA/antibody-positive, EIA non-high s/co ratio, indeterminate. NA - Beginning March 2008 Wisconsin Administrative Code HFS 145 was amended, adding new reportable conditions under Wisconsin State Statute Chapter 252 and removing other reportable conditions from the list.
