

## SurvNet Reports of Communicable Diseases in Milwaukee County 2014

Surv Net is a component of a county-wide communicable disease surveillance system that is funded by the Centers for Disease Control and Prevention through Wisconsin Department of Health and Family Services and maintained and operated by the City of Milwaukee Health Department. These reports are based on date of onset and are provided as PROVISIONAL information for healthcare professionals and do NOT represent final counts of confirmed cases.

<sup>†</sup>% of observed GC test with resistance or intermediate resistance to Cipro; <sup>††</sup>% GC tested that were resistant or intermediate in resistance to Cefixime.

\*Confirmed includes EIA high s/co ratio, RIBA, RNA PCR, genotype, bDNA.

Note: Any reportable disease not included in this list had no cases that met the CDC case definition in 2014
