

Monthly news & updates

As we transition from fall to winter, we are busy compiling feedback from our fall meetings and preparing to convene a selection committee to determine our final priorities for our 2023-2028 community health improvement plan.

We will announce the final priorities in mid-December and will release our final plan by the end of March 2023.

See below for a timeline of next steps:

Opportunities to Engage

If you missed our fall meetings, you can view [a recording](#) and review [meeting materials](#) online.

Get involved!

News and Resources

The City of Milwaukee Health Department's (MHD) 2022 Community Health Assessment (CHA) is now available. [View the 2022 MHD CHA here.](#)

The Milwaukee Journal Sentinel recently reported on out of state investors purchasing rental properties in Milwaukee. They note that "*studies have associated investor-owned rental properties with poorer maintenance, higher health risks and higher eviction rates when compared to those with homeowners and local landlords.*"
