

Monthly news & updates

We are wrapping up a busy summer of attending farmers' markets, festivals, and neighborhood pop ups to get community input on our 2023-2028 CHIP priorities. We are happy to report that we've received over 2,000 survey responses! If you haven't taken the survey, please take a minute to do so [here](#). We continue to promote the [Photo Voice contest](#), which closes on September 16. We will share the results of both at upcoming fall meetings, and hope to see you all either in person or at the virtual option.

We are also currently recruiting new steering committee members to guide our next five year plan. If you are interested in learning more about joining the steering committee, please email mkeelevate@milwaukee.gov.

Upcoming Events

Join us this fall to weigh in on our 2023-2028 priorities at one of four locations. Meetings will include a brief presentation of our Community Health Assessment, results of the Priority Issue Survey and Photo Voice campaign, and small group discussions to prioritize top issues.

RSVP for one of the meetings below:

[Oct 5 - Zilber School of Public Health](#)

[Oct 12 - Good Hope Library](#)

[Oct 20 - Mitchell Street Library](#)

[Nov 1 - Online via Zoom](#)
