Notes:

¹ Encounters with only citations or warnings that lack corresponding contact summaries in TraCS and/or RMS forms are not represented in this table. It is unclear from available data whether these encounters are traffic stops or field interviews and as such are excluded from the percentages.

² The Settlement Agreement language and paragraph references for the above table columns are as follows: Fewer than 15% of traffic stop records fail to show that the stops were supported by IOARS (SA Paragraph V.1.d.iv); Fewer than 15% of field interview records fail to show that the field interviews were supported by IOARS (SA Paragraph V.1.d.v); Fewer than 15% of no-action encounters fail to show that they were supported by IOARS (SA Paragraph V.1.d.vi); and Fewer than 15% of frisk records fail to show that the frisks were supported by IOARS (SA Paragraph V.1.d.vii).
