Title SEARCH OF SUSPECT

This report is submitted by Milwaukee Police Officer Bojan SAMARDZIC, assigned to District Two, Early Power Shift.

On Sunday, August 22nd, 2021, at approximately 1:50 AM, Squad 2488, P.O. Jose RAMIREZ and I (in full duty uniform and operating a marked MPD Squad car, equipped with Axon Body worn Camera System and Squad Cameras) were dispatched to a on a Officer Shot related complaint at the address of 2700 W. Becher St., which is in the City and County of Milwaukee.

Upon arrival we located a Black male that was in front of the residence of 2661 W. Becher St. in the grass, face down, with his hand handcuffed behind him and a black semi-automatic handgun right above his head that was in the locked back position. The black male had a gunshot wound to the chest, and other officers on scene had started to perform CPR and set up a perimeter and put crime scene tape up.

I checked the backyard of the residence for any evidence or subjects, no other evidence or subjects were located and I returned to the location of the Black male subject as other officers were performing CPR and other officers had emptied the subjects pants pockets, inside the pants pockets was money in various denominations, a green lighter, an inhaler, a EBT/Food stamp card that listed to a female with a last name of RODGERS.

Milwaukee Fire Department personnel arrived on scene and took over performing life saving measures on the subject and requested that I removed the handcuffs on the subject. I removed the handcuffs and then learned that the handcuffs were actually SGT. ALBERT's handcuffs.

I placed all the items in a clear plastic bag and placed them right next to the Black Male and stood by with the items until the Medical Examiner arrived on scene.

Narrative	
Title CANVASS	

THIS SUPPLEMENTAL REPORT WAS WRITTEN BY P.O. KELTON McCOWAN ASSIGNED DISTRICT ONE, LATE SHIFT SQUAD 1331.

On Sunday, August 22nd 2021, I was dispatched to assist an officer who was shot in the line of duty at 2700 W Beecher.

On scene, tape had already been put up. I was instructed by squad 2312 (SGT ALBERT) to canvass the houses on the west side of S Layton Av, north to Rodgers.

[REDACTED]

I made contact with Jose A VALDERRAMA (M/W [REDACTED]) who stated he was roused from his sleep when he heard a loud crash around 1:45AM. VALDERRAMA then heard police yelling "Get down!" and heard several gunshots. Moments later, he heard sirens and dozens of other officers arrived on scene.

[REDACTED]

I made contact with Kenneth L PETTY (M/B [REDACTED]) who stated he was playing a game on his phone when he heard a loud crash outside. He heard yelling and went to his window. PETTY began recording the incident and captured a video of the incident. He then heard several shots fired. I immediately flagged down Detective LANZA who took over in speaking with PETTY regarding the video and statement.

[REDACTED]

I made contact with Jeffrey A BARCZAK (M/W [REDACTED]) who stated he heard sirens for approximately 5 seconds before hearing a loud crash. BARCZAK then heard several gunshots, but doesn't know how many. BARCZAK stated the first few shots sounded much more quiet than the rest of the gunfire. A few moments later, he states the street was filled with squads.

[REDACTED]

No answer at door.

[REDACTED]

I made contact with Bianca L ORTIZ (F/W [REDACTED]) Who stated she had gone to shut her front door around 2:00AM this morning when she heard tires squeal, then heard a crash. ORTIZ heard officers yelling "Put your hands up" and then heard approximately 2 gunshots. She then heard an officer yell

"Who was shooting?" and heard at least 11 more gunshots.

[REDACTED]

I made contact with Maximo GARCIA (M/W [REDACTED]) Who stated he had only heard a large amount of gunfire, then looked outside to see police officers and marked patrol cars down at the intersection. GARCIA did not see anything aside from police cars arriving.

[REDACTED]

No answer at door.

[REDACTED]

I made contact with Amarilys CRUZ (F/W [REDACTED]) who stated she was asleep when she heard gunfire, approximately 8-10 shots. CRUZ did not see anything else.

[REDACTED]

No answer at door.

[REDACTED]

No answer at door, but is equipped with a "Skybell" video door bell and has cameras on the porch. It is unlikely this captured anything relevant as it is a fair distance from the incident location.

[REDACTED]

No answer at door.

[REDACTED]

I made contact with Robert A EHLERT (M/W [REDACTED]) who did not hear anything, but saw squad cars at the end of the block.

POLICE REPORT

Case Number: 212340027

This supplemental report is written by P.O. Justin ARREDONDO, assigned to District One, Late Shift.

On Sunday, August 22nd, 2021, at approximately 2:02 A.M., I (myself, in full-duty uniform, and operating marked MPD Squad 111, as Squad 1340, and wearing department-issue AXON body camera) responded to the Officer Shot call at 2700 W. Becher St.

Upon arrival, I was directed by a District 2 officer(name unknown) to relieve him at his scene-security position, at 2054 S. 27th St. This officer departed to the CP at 2700 W. Becher St., but never returned. I later learned that there were two houses which had witnesses that officers had not interviewed before my arrival. The interviews are listed below as follows:

██████████ Spoke to Mildred RAMOS (w/f, ██████████), who indicated that she was sleeping, and awoke to the sound of a vehicle crash. RAMOS had her bedroom located on the top level of the structure, on the west-facing side. RAMOS said that After she heard this vehicle crash, she heard a volley of gunshots that sounded to "start out slow, and then picked up". The only thing she heard after the gunfire ceased with the sound of incoming additional sirens. I then spoke to ██████████

██████████ She indicated that she heard the sounds of tires screeching, and a loud crashing sound. After this crash, she heard what she believed to be 10 or more gunshots, in rapid succession for "about a good minute". She described hearing the slightest bit of yelling, but could not decipher any specific words due to the voices being muffled by the walls. By the time she exited her residence, she observed 3 cop cars, and someone laying on the ground, but had nothing further to add.

I then attempted to interview 4 subjects on the porch of ██████████., all of which refused to provide information except on younger male. This subject was verbally identified as Mario LOWS (w/m, ██████████) who said he was outside when everything occurred. He said the only thing he saw was a car crash. I asked him if he heard or saw anything else after the accident, but he smiled and denied that anything additional happened. When I informed him that various witnesses have indicated there was gunfire directly after, and that being a direct eye-witness should have made this instance visible to him, he only responded with "well that's your word against my word" and asked to go back inside. He had nothing further to add.

I then remained on outer perimeter scene security for the duration of my time on this assignment.

Title WITNESS INTERVIEW OF LAMYA M BROWN F/B [REDACTED]

This supplemental report is written by Detective Susan Stirmel, assigned to CIB - Violent Crimes, Late Shift, Squad 9344.

On Sunday, 08-22-2021, I responded to an Officer Involved Shooting located at 2700 W Becher St, which is located in the City and County of Milwaukee.

Upon arrival to the scene, I was instructed by Captain Patrick Pajot to interview a witness to this incident, Lamy M Brown F/B [REDACTED].

Brown stated her and her friend, Monae, had been at the movies at South Shore watching "Don't Breathe 2". Brown stated this movie began at approximately 10:35PM and lasted until approximately midnight. Brown stated after leaving the theater, she drove her and Monae down to Fatty Patty's on N Water St, and there was a line there. Brown stated they were downtown for twenty-thirty minutes waiting for their food. Brown stated they left downtown with their food and began to make their way to her house where Monae was going to spend the night.

Brown stated she was driving and was driving south on S 27th St (actually S Layton Blvd), in the right lane and as they approached an intersection, (W Becher St), Monae yelled "Oh shit!" Brown stated she observed a vehicle driving east on W Becher St at a high rate of speed, and observed police cars behind it. Brown stated she attempted to brake and swerve, and as she did this, she felt an impact on her car. Brown stated her vehicle slowed and came to a stop shortly after crossing W Becher St and would not go any further. Brown stated she looked to her left and saw the silver car had struck another truck after, and it had been really loud. Brown stated she observed the airbags had deployed in the silver car. Brown stated she had observed their to be people in the truck initially, and when she looked back they were gone and wasn't sure where they had went.

Brown stated she was in shock and was trying to figure out what had just happened. Brown stated Monae told her "They hit our car and they need to pay ", and got out of the car as she was mad and wanted to go cuss out the people in the silver car that had struck them. Brown stated she observed a female police officer near the silver car and Monae was approaching the officer and car and the officer kept telling her to "get back, get back, go back to your car", basically it wasn't safe, go back to your car. Brown stated she kept trying to get Monae to come back to her car, but wouldn't listen as she was upset.

Brown stated she heard the female officer yelling for any occupants to get out of the silver car. Brown stated she observed this female officer standing at the rear of the silver car. Brown stated she also observed another police officer on the passenger side of the car. Brown stated she heard the other officer telling the occupant(s) to get out of the silver car several times.

Brown stated she wasn't sure of the occupants of the silver car or if they ever got out of it.

Brown stated she then heard shots being fired and believed they were coming from the silver car, saw a police officer fall to the ground and then saw the police shooting back. Brown stated at this time, Monae ran back to her car and took cover on the passenger side of the vehicle and was telling her "We gotta go we gotta go, they're shooting!" Brown stated when the shots were fired, she had ducked down over the front passenger seat, and was able to at this time crawl out of the car to where Monae was. Brown was unsure how many shots were fired.

Brown stated she heard a lot of sirens and her and Monae began to run south, away from the shots and saw officers running towards them telling them to "get down, get down!" as well as police cars seeming to come from everywhere.

The airbags didn't go off it all happened so fast, I was looking at my G.P.S. Right after the accident there were lights and sirens everywhere I was smashed into by a car I really didn't see anything but the road I heard a few gunshots, I didn't know if it was the Police or whoever. The lady Police officer came over after everything was situated."

Title
 WITNESS INTERVIEW WITH FELICITAS A. REYNA-PEREZ (W/F, [REDACTED])

This supplemental report is submitted by Detective Rachel SMITH assigned to squad 9340, Criminal Investigation Bureau - Violent Crimes Division, Late Shift.

On Sunday, August 22, 2021 at approximately 1:45 A.M., Lieutenant Mark KAPUSTA requested that I respond to 2700 W. Becher St. to assist with a Homicide investigation.

Upon arrival, Squad 9316 (Sergeant Matthew BELL) assigned me to interview a citizen witness identified as Felicitas A. REYNA-PEREZ (W/F, [REDACTED])

Interview with citizen witness, Felicitas A. REYNA-PEREZ (W/F, [REDACTED])

Felicitas A. REYNA-PEREZ

(W/F, [REDACTED])

[REDACTED]

Milwaukee, WI 53215

[REDACTED]

I conducted the interview with REYNA-PEREZ in the living room of her residence which is located at [REDACTED] REYNA-PEREZ was not in custody or detained at any point during our interview.

The residence is the second house to the south of W. Becher St. located on the east side of S. Layton Bl. The residence is a 2 story residence with windows on the 2nd floor that face north towards where the incident occurred. REYNA-PEREZ stated that she has lived in the house for 16 years and every summer there are several large crashes in that intersection so she is used to looking out the windows to see what is going on.

When asked to describe what she observed, REYNA-PEREZ provided the following statement;

REYNA-PEREZ stated that she was asleep in the upstairs bedroom located on the south side of the residence when she was awoken by a loud crash. REYNA-PEREZ stated that she went into her son's bedroom which is on the north side of the residence. REYNA-PEREZ stated that when she looked out of the north facing window she could see the crashed vehicles.

REYNA-PEREZ stated that she observed a female officer in the road on the north side of the vehicles with her firearm out and pointed towards the vehicle. REYNA-PEREZ stated that she observed the female officer backing away from the car. REYNA-PEREZ stated that she heard people yelling however due to the window being closed and the window air conditioner unit running, she could not hear what they were saying.

REYNA-PEREZ stated that she heard approximately 10 gunshots. REYNA PEREZ stated that she took cover so she did not see anything else after that. REYNA-PEREZ stated that she could not see who was shooting and could not describe the person who was in the car.

REYNA-PEREZ stated that she waited several minutes after the gun shots stopped before going downstairs and looking outside. REYNA-PEREZ stated that she eventually went outside and observed several officers attending to the people and vehicles on scene so she just waited by her house and eventually spoke to an officer, telling them what she observed.

REYNA-PEREZ took me upstairs and allowed me access to the window that she was looking out of during the incident. I observed 2 side by side standard sized windows on the north wall of the residence. The window to the east had a window air conditioning unit that was running at the time of my observations. The window to the west had a partial view point of the scene capturing the southeast corner of the intersection of S. Layton Bl. and W. Becher St.

REYNA-PEREZ stated that she did not video any of this incident and does not have any cameras on her residence that would have captured the incident.

REYNA-PEREZ did not have anything else to add at this time.

After obtaining the initial statement from REYNA-PEREZ it was determined that REYNA-PEREZ was considered a critical witness. I asked REYNA-PEREZ if she would be willing to go over her statement again so that I could obtain a recording of the interview and REYNA PEREZ stated that she would be willing to do that. At approximately 3:45 A.M. I re-interviewed REYNA-PEREZ in her living room. REYNA-PEREZ issued the same statement as noted above which was captured on a Sony Digital handheld recording device. I placed a copy of this recording on Milwaukee Police Department Inventory #21032310.

REYNA-PEREZ allowed Squad 1924 (FI James PETERSEN) into her residence to photograph the window and point of view that she observed the incident from. Additionally, FI PETERSEN took photos of the exterior of the residence to show where the window was on the exterior.

Assigned to late shift 11:45 P. M. to 8 A.M.

Sgt. Austin provided the following statement regarding the incident;

Sgt. AUSTIN stated that he had worked until noon on Saturday, August 21, 2021 and after work, he went straight home and to sleep. Sgt. AUSTIN stated that he got up around 4:20 P.M. Sgt. AUSTIN stated that he had dinner around 5 P.M. and was a wake for a while but went back to sleep around 8:00 P.M., getting up around 11:00 P.M. to get ready for his shift. Sgt. AUSTIN informed me that this is a normal amount of sleep for him. Sgt. AUSTIN stated that he had a muffin and coffee when he got to work.

Sgt. AUSTIN stated that he started his tour of duty at 11:45 P.M. and they had a four man shift working that night.

Sgt. AUSTIN stated that after roll call he was out on the street on an as needed basis.

Sgt. AUSTIN stated that he had not responded to any calls so far that night and was in the approximate area of S. 47th St. and W. Forest Home Av. when Squad 61 (PO Adan FRANCO) went out with a traffic stop in the area of S. 35th St. and W. Oklahoma Av.

Sgt. AUSTIN stated that PO FRANCO called out that he was on 35th St. facing north and at the driver was exhibiting pre-flight behaviors by not putting the car in park and sitting on the break so he called for another squad before approaching the vehicle. Squad 72 (PO Justin JACKETT) and Squad 71 (PO Taylor WEISS) were responding as backup.

Sgt. AUSTIN stated that he went north of the traffic stop as he was equipped with stop sticks. Sgt. AUSTIN stated that he got set up around 35th and Montana. Sgt. AUSTIN stated that he observed the vehicle fleeing from the area of the stop so he deployed the stop sticks with a successful deployment.

Sgt. AUSTIN stated that he believed the vehicle pursuit continued north on 35th St. then turned east on Becher with speeds broadcasted up to 95 MPH. Sgt. AUSTIN stated that the speeds significantly reduced to 55-60 MPH and he was hoping that was because the tires were going flat from the stop sticks.

Sgt. AUSTIN informed me that he did not take the same route as the other squads. Sgt. AUSTIN stated

that after picking up the stop sticks he had taken W. Forest Home Av. east to S. Layton Bl. and was traveling north on S. Layton Bl. Sgt. AUSTIN stated that he was calling out to get the initial reason for the stop when he heard what he described as "radio chaos" Sgt. AUSTIN stated he believed he heard something about 27th and Becher but he knew something was wrong because the transmissions were fragmented and he could hear screaming.

Sgt. AUSTIN stated that as he approached the scene he heard a broadcast description of a black male wearing a white shirt running east.

Sgt. AUSTIN stated that he observed a male in a white shirt running south of the intersection so he drew his gun on him however the person turned out to be unrelated. Sgt. AUSTIN stated that the unknown citizen informed him that there had been a high speed crash up ahead and about 20 shots had been fired.

Sgt. AUSTIN stated that as he approached he found out PO FRANCO had sustained several gunshot wounds and the suspects whereabouts were still unknown so he provided cover while the other officers provided medical to PO FRANCO. Sgt. AUSTIN stated that as they confirmed the suspect's whereabouts, Squad 73 (PO Roman BLENISKI) had arrived to assist and took over the medical as he was a combat medic in the Army. Sgt. AUSTIN stated that while the other officers were performing medical, they removed PO FRANCO's vest and duty belt.

Sgt. AUSTIN stated that Squad 75 (PO Austin SUSTACHEK and PO Zachary O'NEILL) arrived to assist. Sgt. AUSTIN informed me that he had PO SUSTACHEK place PO FRANCO's duty belt and vest carrier in the front seat/floorboard area of his squad and secure it.

Sgt. AUSTIN stated that he assigned PO BLENISKI to ride with PO FRANCO to the hospital and made sure that the other involved officers had someone with them then he began making notifications to his dispatch and command staff.

Sgt. AUSTIN did not have anything further to add at this time.

M6285 OIS AUTOPSY SUPPLEMENT

This report is submitted by PSSI Michael BRAUNREITER assigned to the Homicide Division Dayshift.

On Monday, 08/23/2021, I, **PSSI Michael BRAUNREITER** was assigned to conduct follow-up related to this investigation. This follow-up consisted of responding to the Milwaukee County Medical Examiner's Office which is located at 933 W. Highland Ave. and monitor the autopsy being performed on the victim, who has been tentatively identified as Tyron C LAMB B/M [REDACTED]

Upon my arrival I did observe the victim. His clothing had been removed prior to my arrival; he had been wearing a black T-shirt with the design on the front, blue denim pants, light blue underwear, blue and gray "shark" socks and white athletic shoes. The medical examiner's staff did measure this victim and determined that he was 72 inches long and weighed 145 pounds. The medical examiner's staff assigned this victim their case #21-05648.

Squad 1723 Forensic Investigator Teresa CRUZ responded and did take a right index finger print. This fingerprint was later compare to fingerprints already on file with the Milwaukee Police Department at which time a positive identification was made of the victim **Tyron C LAMB B/M [REDACTED] with a PIN of 407564.**

I did observe **Dr. Brian PETERSON** conduct the external examination of this victim. A single gunshot wound was located just right of midline to the victim's chest. There was no other trauma observed.

Dr. PETERSON then conducted the autopsy procedure and determined the bullet that caused this wound had been fired from an indeterminate range, it struck the victim traveling front to back, right to left and in a downward angle. The bullet struck the victim's sternum traveled into the chest cavity through the left lung, heart, diaphragm, spleen and stomach. The bullet was recovered in the chest wall on the victim's left side. This bullet is deformed, copper jacketed and weighed 150 grains.

I did request and receive a copy of the photographs taken by the medical examiner's staff during this autopsy procedure. These photographs were contained on a compact disk; the original disk was copied and placed on Milwaukee Police Department inventory #21032361 as evidence.

Forensic Investigator Michael MARTIN released the evidence that had been collected during this victim's autopsy procedure. These items were packaged and placed on Milwaukee Police Department inventory #21032361. For a detailed description of these items refer to the property tab.

 M6285 P.O. TAYLOR WEISS' ROUND COUNT AND PHOTOGRAPHS OF EQUIPMENT

This report is submitted by Detective Daniel PRIEWE who is assigned to the Criminal Investigation Bureau, Homicide Unit, Late Shift.

On Sunday, August 22nd 2021, I responded to a Shooting which occurred at approximately 1:44 A.M. at 2700 W. Greenfield Police Captain Eric Lindstrom completed an Officer Safety Statement with P.O. WEISS at the Police Administration Building.

I then inspected and documented P.O. Taylor WEISS' equipment. P.O. WEISS was wearing a Full Navy Blue Shortsleeve Greenfield Police Department Uniform which had a Greenfield Police Patch on both sleeves. P.O. WEISS was wearing a Navy Blue Greenfield Police Department Baseball Style Cap on her head. P.O. WEISS was wearing a navy blue outer vest carrier which had her last name on it and a Silver Greenfield Police Department Badge(#136) on the upper left portion of her chest. I observed that P.O. The body camera was positioned in the middle/right side of her chest. Inside of WEISS' outer vest carrier was where she had kept a medical chest seal which she had placed on P.O. FRANCO. I observed a small amount of blood on her outer vest carrier.

On P.O. WEISS' duty belt, at her right hip, was her holstered Greenfield Police Department issued black 9mm Smith and Wesson M+P, with a serial number of [REDACTED] a nylon magazine pouch with two magazines, an empty key holder pouch, a nylon handcuff case with two sets of handcuffs, a Tazer 7 with serial number [REDACTED] a 1.5 oz Stream Law Enforcement O.C. canister, a latex gloves holder, a flashlight, an expandable baton, a long baton holder, and 4 belt keepers.

P.O. WEISS was wearing a watch and black boots.

I removed P.O. WEISS' firearm from her holster and I removed the magazine from the firearm. I then locked the slide back and an unfired silver colored 9mm Luger FC cartridge ejected from the chamber. I looked at the cartridge and I did not observe any strike marks on the primer. I removed the cartridges from the magazine and I observed that they were the same caliber and brand as the chambered round. I found that there were 13 unfired cartridges in the magazine which was in the firearm. In total there was 14 cartridges in the weapon. The firearm had a functioning stream light flashlight affixed to the barrel.

I counted 17 unfired cartridges in each of the two magazines in her magazine pouch on her belt.

Upon arrival to this location, I was instructed by Captain Patrick Pajot to interview a witness to this incident, Jaymel S Bonet-Rivera M/W [REDACTED]

Bonet-Rivera stated he had been downtown with his friend Daniel earlier, and he was on his way to take Daniel home, driving south on S 27th St (actually S Layton Blvd), passing W Becher St. Bonet-Rivera stated he heard sirens, but didn't think much of it first, until a few seconds later and he heard a car crash.  M6285 - PHOTOGRAPHS AND COLLECTION OF ITEMS FROM POLICE OFFICER JUSTIN JACKETT

This report is typed by **Detective Timothy KELLER**, assigned to the Criminal Investigation Bureau - Homicide Unit, day shift.

On Sunday, August 22, 2021, at approximately 2:30am, I responded from home to the Milwaukee Police Administration Building regarding an officer involved shooting. I was advised that an individual, identified as **Tyron C. LAMB** (b/m, [REDACTED]), had been shot and killed by members of the Greenfield Police Department at approximately 2700 W. Becher St. Further, I was informed that **Police Officer Adan FRANCO** of the Greenfield Police Department had sustained gunshot wounds and was transported to Froedtert Hospital for treatment.

I arrived at the Police Administration Building at approximately 3:00am. Immediately upon arrival, I was assigned to assist with one of the Greenfield Police Officers that was involved in this shooting - **Police Officer Justin JACKETT**. Officer JACKETT had been driven from the scene of the shooting to the Police Administration Building by **Detective Michael BRAUNREITER**. Officer JACKETT was sitting with Detective BRAUNREITER in the "Violent Crimes" briefing room, located on the far east end of the Criminal Investigation Bureau (4th floor).

I observed that Officer JACKETT was still in full uniform and had blood on both of his hands. He indicated that the blood was from performing lifesaving measures on Officer FRANCO, therefore, no DNA swabs were taken.

Forensic Investigator Jennifer BEAMON (Squad 1926) took overall photos of Officer JACKETT in his uniform and the blood on both of his hands. Then, I walked with Officer JACKETT to the bathroom so that he could clean himself up.

Following the overall photos and hand-washing, we returned to the same briefing room. It was at this time that **Attorney Kevin TODT** of MacGILLIS WIEMER, LLC arrived. Attorney TODT was given approximately 10 minutes alone with Officer JACKETT. Following that time, we resumed taking photographs, specifically of Officer JACKETT's duty belt. I also conducted what is called a "round count", determining how many cartridges are in each of his magazines to determine how many shots he fired during the incident.

I observed the following about his general appearance:

Officer JACKETT was dressed in full City of Greenfield Police Department uniform. He was wearing the short-sleeved uniform shirt with patches on both shoulders. He was wearing an outer vest carrier with a metal badge affixed to his left chest and his last name on his right chest. He was wearing a full duty belt, blue uniform pants with cargo pockets and black boots. He did have a body worn camera attached to his vest at about chest height. He was also wearing a watch on his left wrist. He appeared alert and was

mentally and emotionally stable.

His duty belt had the following items in the following order, starting from the belt buckle and going around his waist to his right:

Double handcuff case with 2 pairs of handcuffs, Oleoresin Capsicum spray in holder, handgun in holster on right hip, expandable baton in holder, glove pouch in middle of back, radio in holder with shoulder mic affixed, flashlight in holder, taser in holster on left hip and double magazine pouch with two magazines. He also had 4 belt keepers.

I downloaded his handgun and found an unfired cartridge in the chamber. He also had 16 unfired cartridges in the magazine that I had ejected from the magazine well. According to Officer JACKETT, he had 17 cartridges in each magazine, in addition to the one in the chamber. **Therefore, he was missing only one cartridge.** The other two magazines were checked and I found that they each had 17 unfired cartridge cases loaded into each.

I did check the primer on the cartridge that was located in the chamber and found that there was no indication of a strike or misfire.

I collected the following and placed it onto **MPD Inventory# 21032183** as the listed item numbers:

Item #1: Smith and Wesson, 9mm semi-automatic pistol with magazine and TLR-1 streamlight affixed to the underside. The gun serial number is [REDACTED], gun tag number 100700. The streamlight serial number is [REDACTED]

Item #2: One (1) F.C. brand unfired 9mm cartridge case (silver casing and copper jacketed hollow-point bullet) located in the chamber of item #1

Item #3: Sixteen (16) F.C. brand unfired 9mm cartridge case (silver casing and copper jacketed hollow-point bullet) located in the chamber of item #1

Officer JACKETT was provided a new firearm by **Detective LUCAS** of the Greenfield Police Department prior to leaving the briefing room.

Following this brief interaction with Officer JACKETT, he was released and conveyed back to the Greenfield Police Department by **Detective Greg HOPPE**. He wore his body camera back to the police department where it could be downloaded.

On Thursday, August 26th 2021, I conducted follow up on a Shooting Incident involving Greenfield Police Officers Adan FRANCO, Taylor WEISS, and Justin JACKETT. During this incident, P.O. Adan FRANCO suffered numerous gunshot wounds. Also during this incident, Tyron C. LAMB(M/B [REDACTED]), had been shot and killed. The incident occurred at 2700 W. Becher St, in the City of Milwaukee, on 8-22-2021

On 8/26/21 at 10:00 A.M., I interviewed Greenfield Police Officer Justin JACKETT at the Law Firm of MacGillis Wiemer, LLC, located at 11040 W. Bluemound Rd Suite 100, which is in Wauwatosa. that he was wearing a dark blue Greenfield Police Department short sleeve Shirt, which had Greenfield Police Department patches on both sleeves, dark blue cargo pants, and black boots. He wore an outer bullet proof vest carrier with his Silver Greenfield Police Department badge on the left breast pocket and his last name was on the upper right portion of his vest carrier. While working he had a Tazer 7, a flashlight, a handheld police radio, a glove pouch, an expandable baton, his firearm, Oleoresin capsicum spray, two sets of handcuffs, and a tourniquet. He was unsure of the exact brand of 9mm ammunition which he had in his firearm.

P.O. JACKETT explained that he wore a department issued Arbitrator Body Camera which was specifically assigned to him. While working he would wear it on his outer vest carrier. He explained that the body camera would be attached to the front of his vest by using a magnet which would slide inside one of his breast pockets and the camera would go on the outside of the pocket. When he was not working the body camera would be placed in a charging dock at the Greenfield Police Department. At the start of his shift on 8/21/21 he observed that his body worn camera was fully charged.

P.O. JACKETT informed me that he had been assigned Squad car 176 and his body worn camera was synched up with this squad. After a body worn camera is synched successfully to the squad car, the body worn camera will turn on automatically after the emergency lights are activated in the squad car. Recently Squad car 176 needed maintenance for a loud noise and it was taken out of service to be repaired. As a result of his regular squad needing maintenance and the fact that officers were covering other shifts due to the shortage, P.O. JACKETT picked Squad car 171, which was available, when his shift began. He conducted check of Squad car 171. He activated that emergency lights which worked and by activating the emergency lights he observed that the squad camera activated and began recording which was visible on his Motor Vehicle Computer (M.V.C.).

P.O. JACKETT placed his body worn camera in Squad Car 171's dock in order to synch to it. P.O. JACKETT thought his body camera synched and did not conduct any additional checks of it. After starting his shift at 8:00 P.M. on 8/21/21, he responded to a Noise Complaint/Firework call. Sometime after midnight on 8/22/21, he conducted a Traffic Stop of a vehicle near S. 27th and Bolivar. While conducting the traffic stop, he realized his body camera did not activate when he turned his squad lights on and wasn't synched. He manually activated his body camera by pressing a button on the body camera which caused it to vibrate and

turn a red light on. P.O. JACKETT explained that only a certain number of body cameras can be synched to each squad car. Once the limit is reached, additional cameras will no longer synch to it. The department's information technology department (I.T.) are the only people who can fix the issue but they do not work at night.

After he conducted the above traffic stop, P.O. JACKETT continued to patrol his designated squad area. P.O. JACKETT was not sure of the exact time but he remembered being in the area of S. 27th St and Layton when he heard on his squad radio that P.O. Adan FRANCO made a traffic stop at S. 35th And Oklahoma. He was not sure what type of vehicle P.O. FRANCO had stopped or the reason for his traffic stop. P.O. JACKETT continued to patrol his area until he heard P.O. FRANCO verbalizing on the radio that the vehicle he stopped had started to drive again but then stopped a second time. He heard P.O. FRANCO state that it didn't appear that the driver of the vehicle he was stopping knew what to do and he requested a second car. The dispatcher immediately dispatched P.O. Taylor WEISS to back up P.O. FRANCO. P.O. JACKETT informed me that he parked in the area of S. 27th and Layton so he could continue to listen to P.O. FRANCO's radio transmissions. P.O. JACKETT informed me that he heard Sgt. Austin verbalize on the air that he was ready with stop sticks. P.O. JACKETT then traveled northbound on S. 27th St because he believed the vehicle P.O. FRANCO had stopped was going to take off. P.O. JACKETT heard on the radio that P.O. WEISS made it to the traffic stop and had asked over the radio if she should pull in front of the vehicle. P.O. JACKETT was not sure if there was any response to P.O. WEISS' question but he did hear that P.O. WEISS broadcasted that the vehicle was taking off from the traffic stop.

P.O. JACKETT activated his emergency lights and sirens on his marked Greenfield Police Squad and traveled northbound on S. 27th St. P.O. JACKETT observed on his M.V.C. that the squad camera activated. P.O. JACKETT stated he was focused on where the pursuit was going and did not think about if his body camera activated. P.O. JACKETT continued north and was going to attempt to parallel the pursuit. He then heard that the pursuit was heading eastbound on Becher St. He believed that P.O. WEISS was first in the pursuit and P.O. FRANCO was second because P.O. FRANCO was broadcasting the pursuit. P.O. JACKETT was about at 27th and Oklahoma and was going to attempt to join the pursuit because he could hear the squads were east from S. 31st then S. 30th and then he heard P.O. FRANCO verbalizing on the radio "crash crash" at 27th and Becher St. A very short time later he heard P.O. FRANCO verbalizing on the radio

something to the effect of “Get your fucking hands up.”

P.O. JACKETT stated that he did not see the crash occur but arrived seconds later on S. 27th St, north of W. Becher St. He was facing north, in the left lane of travel, adjacent to the boulevard. P.O. JACKETT estimated his distance from the crash was approximately 100 ft. Once he arrived he observed two citizen vehicles in front of him and one next to him on the passenger side which blocked him from proceeding further. He explained that one vehicle was directly in front of his squad and angled off towards the lane to the right of him. There was also a vehicle in front of the angled one. P.O. JACKETT announced on the radio that he was on scene and pulled his firearm as he exited the driver’s seat of his squad car. P.O. JACKETT took a position in the “A” frame of the squad’s driver door and he had his firearm pointed at the vehicle which had crashed into a green pickup truck in order to assist with a high risk stop. He observed two Greenfield Police Squads in the intersection, which was illuminated with City of Milwaukee Street Lights, to the west of the crashed vehicles. He then heard gunshots which he recognized from his prior military experience and from at the firing range.

P.O. JACKETT stated that he saw P.O. WEISS in the intersection near the two Greenfield Police Squad cars. P.O. JACKETT did not see where P.O. FRANCO was and he could not see if anyone was inside of the vehicle which was crashed into the green pickup truck. P.O. JACKETT observed muzzle flashes coming from P.O. WEISS’s gun while she was near one of the squad cars and he also observed her ducking as if she was trying to avoid being shot at. P.O. Jacket then observed muzzle flashes in the area of the crashed vehicles.

P.O. JACKETT still didn’t see P.O. FRANCO and was still in the “A” frame of his squad’s driver door trying to identify who was shooting. P.O. JACKETT then observed a male with a dark colored shirt on, who was by the crashed vehicles, with his hand up and extended towards P.O. WEISS. He then saw muzzle flashes coming from the hand of the male with the dark colored shirt and he thought P.O. WEISS was being shot at. P.O. JACKETT also was struck with something, possibly debris, and he believed he was being shot at. He was not injured and did not receive any visible injuries during the incident. P.O. JACKETT stated that he acquired the person who he thought was shooting at WEISS and P.O. JACKETT shot one or two times while still in the previously described A frame. P.O. JACKETT stated that he was attempting to stop the person, who he thought was shooting, from injuring or killing P.O. WEISS. P.O. JACKETT stated that he did not see anyone else in the vicinity of the person who he was shooting at when he fired

his weapon. P.O. JACKETT was not sure if he shot the suspect or where his rounds went. P.O. JACKETT then entered his squad car to drive to look for the person who he just shot at but his squad car was blocked in and he possibly began to start cussing. P.O. JACKETT then observed an unmarked squad car traveling eastbound in the direction of where the subject, who he shot at, fled.

P.O. JACKETT then began to move on foot towards P.O. WEISS and P.O. FRANCO and he observed P.O. WEISS motion with her arm to the east. P.O. JACKETT walked up to the silver Sedan and checked for occupants but he did not locate anyone. He then went to the green pickup truck to check on the female who the silver Sedan crashed into and she appeared to be uninjured. P.O. JACKETT then was told by P.O. WEISS that P.O. FRANCO had been shot. It was at this time that P.O. JACKETT realized that his body camera not on and he manually activated it. He was again informed that P.O. FRANCO had been shot and he observed that a tourniquet had been applied to his leg. He asked P.O. FRANCO if he had been shot and he observed that P.O. FRANCO had been shot in the upper right shoulder. P.O. JACKETT then went and retrieved a first aid kit and provided first aid to P.O. FRANCO along with P.O. WEISS.

While performing first aid on P.O. FRANCO, he was informed that the suspect had been located by other officers and was pulseless and not breathing. P.O. JACKETT provided a tourniquet for P.O. FRANCO's hand and he put gauze on P.O. FRANCO's chest and helped P.O. WEISS while a chest seal was being applied. P.O. JACKETT requested another tourniquet for P.O. FRANCO's leg and he put it on because he saw that P.O. FRANCO had a gunshot wound to his left thigh.

P.O. JACKETT stated that P.O. FRANCO was conscious and breathing while he and P.O. WEISS checked for an exit wound. P.O. FRANCO was talking about his chest hurting and he was having trouble breathing. After P.O. FRANCO was turned to the side, emergency medical services arrived and loaded P.O. FRANCO into the ambulance. P.O. JACKETT and P.O. WEISS had removed much of P.O. FRANCO's equipment while providing first aid and the equipment was secured before P.O. JACKETT was taken down to the Police Administration Building to have the cartridges from his firearm counted and be photographed.

The interview ended at approximately 12:00 P.M.

On Saturday, August 28th, 2021, at 1:46A.M., my partner P.O. Travis HERRIGES and I were dispatched to the locations of 2700 W, Becher St, which is located in the City and County of Milwaukee WI, for an officer shot call.

Upon arrival I cleared the scene for other potential suspects. I then assisted in placing police tape on S. Layton Blvd, from Becher St. to Grant St. I then canvassed the 2600 block of W. Becher for any potential houses or vehicles that were in the street that may have been struck by any bullets. I then maintained traffic control on S. 26th St. I then assisted in clearing any debris left in the street and taking down police tape.

Title
 M6285 INTERVIEW OF P.O. TAYLOR WEISS

This report is submitted by Detective Daniel PRIEWE who is assigned to the Criminal Investigation Bureau, Homicide Unit, Late Shift.

On Thursday, September 2nd 2021, I conducted follow up on a Shooting Incident involving Greenfield Police Officers Adan FRANCO, Taylor WEISS, and Justin JACKETT. During this incident, P.O. Adan FRANCO suffered numerous gunshot wounds. Also during this incident, Tyron C. LAMB(M/B [REDACTED]), had been shot and killed. The incident occurred at 2700 W. Becher St, in the City of Milwaukee, on 8-22-2021

On 9/2/21 at 9:00 A.M., I interviewed Greenfield Police Officer Taylor WEISS at the Law Firm of MacGillis Wiemer, LLC, located at 11040 W. Bluemound Rd Suite 100, which is in Wauwatosa. Present during the interview was Greenfield Police Officer Taylor WEISS, P.O. WEISS' attorney Kevin TODT, and I.

On the advice of her attorney, P.O. WEISS did not wish for the interview to be audio recorded. P.O. WEISS had not seen any of the squad or body camera footage from this incident.

At the start of the interview, P.O. WEISS identified herself and her badge number as 136(employee #319). P.O. WEISS was hired as a police officer by the Greenfield Police Department on May 11th 2020 and has been in patrol the entire time. P.O. WEISS is currently a police officer on the late shift(11:45PM-8:00 A.M.). P.O. WEISS' work rotation is 4 days working followed by two days off. She does not have a partner. On 8-22-21, P.O. WEISS was assigned to Area 71 which is an area between Morgan and Layton and 27th to 51st street.

P.O. WEISS informed me that she was hired by the Greenfield Police Department as a Community Service Officer, which handled things like parking tickets and animal complaints. She served in this capacity from 2017-2018 and the only thing she was armed with is Oleoresin Capsicum. P.O. WEISS was hired by the

Waukesha County Sherriff's Department on July 31st 2018. P.O. WEISS attended Waukesha Technical College where she obtained her associates degree in Criminal Justice and attended their law enforcement academy from September to December of 2018. While at the academy she received firearms training. She was then hired by the Greenfield Police Department in 2020 where she completed a 4 month field training period and has since received yearly firearms training to remain certified as a law enforcement officer.

P.O. WEISS has not been involved in any prior "critical incidents/officer involved shootings." P.O. WEISS does have not to wear glasses or contacts while working and was not wearing either when the incident on 8-22-21 occurred.

I asked P.O. WEISS about her activities during the 48 hours leading up to the incident which occurred on 8/22/21. She informed me that she was off of work on 8/19/21. P.O. WEISS reported for duty on 8/20/21 at 11:45 P.M. for roll call and began her shift at 12:00 A.M. for 8/21/21. She checked her uniform, firearm, and equipment prior to duty and did not encounter anything out of the ordinary while working. Due to staffing shortages at the Greenfield Police Department, P.O. WEISS was ordered to work an additional 4 hours and she ended at noon. After work she did not consume any alcohol or illegal substances and she took her prescribed medication and slept from approximately 1PM-6PM. She left for work at approximately 7:10P.M. and arrived for an extra 4 hour block to again assist with covering staffing shortages.

P.O. WEISS was dressed wearing a dark blue Greenfield Police Department short sleeve uniform shirt which had a Greenfield Police Department patch on both sleeves. P.O. WEISS was wearing a dark blue baseball style cap which said, "Greenfield Police." P.O. WEISS was wearing dark blue uniform pants, black boots, and an outer vest carrier which held her bullet proof vest. On the outer vest carrier, P.O. WEISS had a tourniquet, a functioning body worn camera positioned in the middle center of her vest, a flashlight, and a police radio. Her silver Greenfield Police Department badge was affixed to the upper left area of her outer vest carrier and her last name was attached to the upper right portion of the vest carrier. P.O. WEISS' body worn camera was fully charged and was operational as she checked it prior to starting her tour of duty. P.O. WEISS stated that she was wearing a police duty belt which held her department issued Smith and Wesson M&P 9mm firearm which contained 18 total 9mm cartridges. Her weapon was chambered and ready for duty. P.O. WEISS also had handcuffs, a Tazer, O.C. spray, a flashlight, gloves, a metal expandable baton, two additional magazines

containing 17 cartridges, and a key holder.

P.O. WEISS was assigned to work her squad area by supervisor and utilized a marked Greenfield Police Squad(#172). Prior to starting duty at 8:00 P.M. on 8/21/21, she conducted a squad check which entailed checking the emergency lights, squad camera, and patrol rifle. P.O. WEISS' body camera and squad camera were synched up together which meant the body camera would turn on when her emergency lights on her squad car were activated. P.O. WEISS conducted 2-3 traffic stops during her 4 hour overtime block and then she returned to the police station for roll call at 11:45 P.M. P.O. WEISS informed me that her immediate supervisor for her 8/22/21 shift was Sgt Robert AUSTIN and her fellow officers were Officers JACKETT, O'NEILL, Sustacheck and Blenski. P.O. Adan FRANCO was a 2nd shift officer and he was working into her shift on an alcohol grant.

P.O. WEISS started her solo patrol in squad car 172 and may have conducted a traffic stop and backed up fellow officers on various stops after starting the shift. P.O. WEISS did not recall the time but remembered P.O. FRANCO conducting a traffic stop at 35th and Oklahoma in Milwaukee. This location is near the border of Greenfield and Milwaukee. When P.O. FRANCO made the traffic stop, P.O. WEISS was in the 4000 block of S. 27th St. P.O. WEISS heard P.O. FRANCO saying over the police radio that he was making a traffic stop on a Silver Hyundai and the car wouldn't stop. P.O. WEISS was aware that the vehicle had a license plate on it but could not remember what it was. P.O. WEISS was dispatched by the dispatcher to back up P.O. FRANCO. While responding to P.O. FRANCO's traffic stop, she did not have any knowledge of who the driver was or how many people were in the vehicle. P.O. WEISS recalled P.O. FRANCO broadcasting that the vehicle was moving slowly but then it stopped again. P.O. WEISS was not aware of the reason for which P.O. FRANCO conducted the traffic stop.

Upon arriving at S. 35th and Oklahoma Ave, P.O. WEISS observed that P.O. FRANCO was inside of his marked Greenfield Police Department Squad car which had its emergency red and blue lights activated and was behind the silver Hyundai which was stopped. P.O. WEISS activated her emergency lights which activated her squad and body camera. Based on her prior law enforcement experience with intoxicated and impaired drivers, P.O. WEISS attempted to pull her squad car in front of the silver Hyundai to prevent it from pulling off. As her squad car became parallel with the silver Hyundai, the Hyundai took off northbound at a high rate of speed. P.O. WEISS activated her siren. P.O. WEISS chose not to attempt a

“Pursuit Immobilization Technique” on the vehicle because of the other vehicles nearby and the high speed of the silver Hyundai.

P.O. WEISS initiated a pursuit of the Silver Hyundai and was primary in the pursuit with P.O. FRANCO being the secondary squad. P.O. WEISS was northbound on S. 35th St. going approximately 80-90 mph.

P.O. WEISS was aware that Sgt. AUSTIN was approximately 4 blocks ahead of the original traffic stop location. Sgt. AUSTIN deployed the stop sticks and the Hyundai did appear to drive over them. The Hyundai then slowed down to approximately 45-60 mph.

P.O. WEISS broadcasted the street names as she was passing them until P.O. FRANCO took over the broadcasts so she could focus on the pursuit. At some point during the pursuit, Sgt AUSTIN had asked P.O. FRANCO for the reason he did the traffic stop and P.O. WEISS stated that she believed P.O. FRANCO stated, “speed.” P.O. WEISS recalled traveling eastbound on Becher St. and the silver Hyundai was traveling at approximately 60 mph and had went through a couple of stop signs. As the pursuit approached the intersection of S. 27th St. and W. Becher St., the silver Hyundai traveled into the intersection at a high rate of speed and possibly hit one car before “T Boning” a green pickup truck. P.O. WEISS stopped her squad car in the intersection, facing eastbound, behind the silver Hyundai. P.O. FRANCO broadcasted the crash and stopped his squad car on her passenger side.

Due to the high probability for injuries from the high impact crash, P.O. WEISS approached the vehicles, with her firearm out, to check for anyone injured in either vehicle. P.O. WEISS observed P.O. FRANCO approaching the Silver Hyundai on the passenger side. Both P.O. WEISS and P.O. FRANCO were ordering the occupant of the Silver Hyundai to show their hands as they approached. P.O. WEISS could not see who was in the Silver Hyundai but she could see that there was one person inside of the green pickup truck. As P.O. WEISS approached the driver’s side of the Silver Hyundai she observed that the side-curtain air bags were down and P.O. WEISS could not see into the vehicle. P.O. WEISS was not sure if the vehicle’s windows were tinted or not. P.O. WEISS was several feet from the vehicle and was continually yelling, “show me yours hands” or “let me see your hands” at the Silver Hyundai.

P.O. WEISS stated that she could still see P.O. FRANCO on the Hyundai’s passenger side and she also observed a female, possible from the first car which

was struck, approaching them so P.O. WEISS started yelling at her to get back. P.O. WEISS then opened the Silver Hyundai's driver's door at gun point and she observed that the curtain style airbag was half way down and she did not see anyone in the driver's seat so she shut the door. P.O. WEISS was still yelling show me your hands as she opened the rear driver's door and she observed that the airbag was half way down. P.O. WEISS observed a person laying on the floor in front of the back seat, on their back, with their feet towards the rear passenger door. P.O. WEISS could not tell if the person was male or female and believed the person was African American. The person's head was toward the rear driver's door but she could not see the person's hands so she kept yelling, "show me your hands." P.O. WEISS never heard the subject say anything during the incident.

P.O. WEISS heard gun shots being fired from directly in front of her and she closed the rear driver's door. P.O. WEISS knew from her training and experience that what she was hearing was indeed gunshots. P.O. WEISS could not see who was shooting. Almost immediately after closing the rear driver's door as P.O. WEISS was backing up from the vehicle, which was approximately 5-6 feet from the vehicle, she heard more shots being fired and she observed a black male with short hair, skinny build, black t-shirt, and blue jeans, exiting the rear driver's door towards her with a firearm in his hand. P.O. WEISS stated that she feared for her life and believed she was being shot at by him. P.O. WEISS observed that the male was holding the grip of the gun and she observed the slide on the gun. P.O. WEISS fired her weapon at the male approximately 2-4 times. P.O. WEISS felt her trigger lock up and observed that her gun malfunctioned so she moved towards the rear of the Silver Hyundai and racked her weapon's slide back to clear the malfunction. P.O. WEISS observed P.O. FRANCO near the rear of the green pickup truck at this time and the male with the gun, who she had just shot at, was at the sidewalk near P.O. FRANCO and the driver of the green pickup truck. P.O. WEISS stated she believed she fired more times at the male, who she had already shot at, because she believed the male was going to turn and shoot P.O. FRANCO, herself or the occupant of the green pickup truck since she had never seen the male drop his weapon and she believed the male had previously fired at her. P.O. WEISS was not sure of the total number of times that she shot because she didn't remember hearing her own shots but could feel herself pulling the trigger.

P.O. WEISS observed that P.O. FRANCO was facing her and not the male with the weapon which she felt was very odd. As P.O. FRANCO and P.O. WEISS retreated, P.O. WEISS asked P.O. FRANCO if he was ok and P.O. FRANCO

stated that he was shot. P.O. WEISS observed that P.O. FRANCO was shot in the left thigh and middle finger. P.O. WEISS then observed that P.O. JACKETT was running up to P.O. WEISS and P.O. FRANCO'S position, and P.O. WEISS told him to check on the crash and make sure the suspect didn't come back. P.O. WEISS put a tourniquet on P.O. FRANCO's left leg and after P.O. JACKETT returned, she noticed that P.O. FRANCO was shot in the upper right chest. At this time, P.O. FRANCO repeatedly stated that he did not want to die. P.O. WEISS and P.O. JACKETT took P.O. FRANCO's vest off and applied a chest seal. They checked for an exit wound and rolled P.O. FRANCO. P.O. WEISS stated that P.O. BLENSKI arrived and inquired about any exit hole on P.O. FRANCO's left leg before a second tourniquet was applied. P.O. WEISS did observe Officers O'Neill and Sustachek traveling in their squad in the direction that the suspect ran. P.O. WEISS remained with P.O. FRANCO until Milwaukee Police Officers and Firefighters arrived. Sgt. AUSTIN arrived and told P.O. WEISS and other officers to check themselves. P.O. WEISS stated that she was not injured during the incident. P.O. WEISS did not see when P.O. FRANCO was shot.

P.O. WEISS remained on scene until she was met by detectives. She was then conveyed to the Police Administration Building to have her ammunition counted.

SHOTSPOTTER

Milwaukee Police Department
749 W. State Street Milwaukee, WI 53233
414-933-4444
POLICE REPORT

Case Number: 212340027

This report is written by Police Officer Roberto HERNANDEZ, assigned to the Fusion Division, Early Shift.

The ShotSpotter system is an acoustic gunshot location system that detects outdoor audible gunfire using an array of GPS enabled audio sensors to geo-locate detected gunfire using triangulation. When a weapon is fired the sound of the muzzle blast travels out in all directions at the speed of sound. That sound arrives at the sensor at slightly different times. The system measures the difference in arrival times and uses the GPS positions of the sensors and the speed of sound to calculate the latitude and longitude. The results are analyzed by acoustic experts at ShotSpotter's Incident Review Center (IRC) and published to the Milwaukee Police Department. The Milwaukee Police Department then responds to those alerts of gunfire as first responders in case of emergency.

On Monday, October 11, 2021 I recovered ShotSpotter (SST) audio of two incidents of impulsive noises resembling gunfire regarding this incident using the ShotSpotter application Insight. In particular, SST ID 608-151911 and 608-151912.

First alert: SST ID 608-151911 occurred on 8/22/2021 at 1:45:28 AM at the parcel address of [REDACTED] (Milwaukee, Wisconsin) with 24 impulsive sounds detected. ShotSpotter tagged this incident with 'high capacity', meaning a high capacity weapon might have been used in this incident.

Second alert: SST ID 608-151912 occurred on 8/22/2021 at 1:45:37 AM at the parcel address of [REDACTED] (Milwaukee, Wisconsin) with two impulsive sounds detected.

On Monday, August 30, 2021 I emailed ShotSpotter Customer Support to inform them these two alerts were related to an officer involved shooting incident. I also requested a Detailed Forensic Report (DFR), which is an evidentiary document and official report produced by forensic experts of the gunshot incident, with verified timing, sequence and location of each shot fired. I then informed the company that SST ID 608-151911 was misclassified as 'other' and not published as gunfire. I was then emailed by ShotSpotter Service Operations Center Specialist Ta'mara SMITH, who reclassified this incident (SST ID 608-151911) to reflect 'multiple gunshots'.

On Monday, October 11, 2021 I contacted ShotSpotter and inquired on the DFR I requested for this critical incident. I was informed by ShotSpotter Incident Review Center Specialist Lindsey MILKS, who stated a DFR was unable to be completed for these incidents.

I downloaded both SST Investigative Lead Summaries (ILS) related to this incident, which is an automated, machine generated PDF report that embeds the captured audio, reflects the timing, sequence, round count, and location of the incident alert. I transferred both ILS reports and emails with ShotSpotter to a CD and placed it on inventory 21039859.
