## **Facts:**

On Friday, January 25, 2013, at approximately 1:34pm, officers were dispatched to investigate an armed robbery that had occurred at 4518 North 69<sup>th</sup> Street, City and County of Milwaukee. Two victims were located and identified a, 13 year old girl and 14 year old boy. At approximately 4442 North 69<sup>th</sup> Street, she heard a dirty purple minivan approach from behind and was a little alarmed because it was moving slowly. She looked at the van then looked away. The front seat passenger then yelled, "What are you looking at?". The female victim ignored the car and continued to walk. The car went past and turned left on Ruby Ave.

The victims then crossed Ruby Ave and the van came up from behind them again, but this time stopped at 4518 North 69<sup>th</sup> Street. The front passenger announced, "I gotta use it", reached into the car and came back out with a black pistol. The back seat passenger then exited the car and the first subject handed him the gun. The two then ran in front of the victims and demanded, "Give us everything in your pockets!". The first subject then attempted to go through the male victim's pockets but he pushed the subjects hands away. That subject then punched the boy in the face, causing him to fall backward to the ground. The subject then went into the boy's jacket and took \$5.

A male voice from the car then yelled, "She's got a phone, take that too." The subject with the gun (subject 2) took her cell phone. This subject also repeated several times, "They saw our faces". He was standing about three feet from the female victim when he pointed the gun directly at her forehead and pulled the trigger. She stated that she yelled, "No!" and heard the gun "click". The subjects then laughed as they got into the van. They yelled "CDS Bitch!" as they drove off.

"CDS" is a problem street gang operating in our area and other parts of the city as well.
