

## **Contact List for Special Charges and Assessments Added to 2025 Tax Bills**

Outstanding special charges or assessments that have not been paid by mid-November may be added to the property tax bill and then must be collected as a tax as provided by Wisconsin State Statutes. Such special charges and assessments cannot be appealed, nor negotiated or compromised.

**Any questions regarding a special charge or assessment added to your 2025 property tax bill should be directed to the department contact that is responsible for adding the special to the tax bill.**
