COMPLIANCE LOAN PROGRAM

Fees & Loan

No fee to apply. This is a 0% interest rate loan. Loan is paid back when property is transferred or sold. A \$125 fee is applied after loan is approved.

Descendant Note

If a homeowner passes away before selling the property, and the property is inherited by a direct descendent (child or grandchild) the loan IS NOT DUE at this time. The loan would only become due when the child or grandchild sold the property.

Potential Projects List

Properties meeting program requirements may be eligible for the Potential Projects List. While on this list, homeowners will not face any fees or court referrals for their violations. While on the list, staff will assist homeowners in applying to other programs or developing other repair strategies. This allows homeowners the benefit of extra time, even if the program cannot guarantee funding.

Contractors

All contractors carry appropriate insurance and licenses. DNS inspectors will determine repairs to be made, solicit bids, assign contractors and monitor the work throughout the project to ensure contractors meet high standards of quality and that the violations have been appropriately repaired.
