

Data Definitions for Delinquent Tax Account Listing

Column	Type	Label	Description
A	text	Levy Year	The year in which the levy was imposed.
B	text	Tax Key #	A unique number assigned to each property tax account by the City of Milwaukee. It is 10 digits long for real estate tax accounts and 8 digits long for personal property tax accounts.
C	text	Property Address	The street address for the location of the property.
D	text	Ald Dist	The Aldermanic District in which the property is located. The City of Milwaukee is divided into 15 Aldermanic Districts. The City of Milwaukee Common Council consists of the 15 elected Alderpersons.
E & F	text	Owner's Name	The name of the property owner(s). This is not necessarily the person who resides at this address.
G	text	Owner's Mailing Address	The street address where the property owner receives their mail.
H	text	City	The city where the property owner receives their mail.
I	text	State	The state where the property owner receives their mail.
J	text	Zip	The postal zip code where the property owner receives their mail.
K	text	Total Tax Principal	The tax principal outstanding as of the date of the report. Interest, penalties, costs, and fees are not included in this total. You may access the Current Tax Balance - Tax Search on our Web Site, or call the Customer Services Division at 414-286-2240 for the current full payment amount due.
