

Paying Your Property Tax Bill at U.S. Bank

You can pay your tax bill in full, or make a monthly installment payment, at any of the eleven, full service U.S. Bank branch lobbies within the City of Milwaukee. You can make your tax payment at one of these U.S. Bank branch lobbies either by cash or check. You need to have your entire tax bill, **with the scanable return remittance coupon attached**, with you when making your tax payment at the bank branch lobby. **Tax payment checks should be made payable to the CITY OF MILWAUKEE**. The bank teller will stamp a payment acknowledgement on the top part of your tax bill and return it to you. The City Treasurer's Office will mail you a combined property tax payment receipt if your tax payment exceeds the first installment amount due. **U.S. Bank will not issue tax refunds, nor will it accept payments on prior year delinquent tax accounts**. If your property tax escrow check exceeds the amount due and you make your payment at a U.S. Bank branch lobby, a refund check will be mailed to you with a tax receipt. Monthly installment payments are acknowledged on the following month's billing statement.

If paying your tax bill with cash at a U.S. Bank branch lobby, you will need to comply with federal regulatory requirements and provide the requisite information and show photo identification.
