

North Lake Drive Public Involvement Meeting

JULY 15, 2020

Meeting Agenda

- Project Team Introduction
- Overview of the City of Milwaukee re-striping project on Lake Drive from Park Place to Edgewood Avenue scheduled this summer
- Overview of the City of Milwaukee and WisDOT construction project slated for 2024
- Questions & Answers

Project Facts

- Lake Drive is a principal arterial
- We are looking to reconstruct 0.85 miles
- Estimated Construction Cost: \$5,100,000*

Approximate funding breakdown

Preliminary Engineering: 25% City, 75% Federal/State

*Construction: 10% City, 90% Federal/State

Current Road Conditions

Bike route: No

Bus route: No

**Average Daily
Traffic Count:** 19,000

Posted Speed: 30 mph

Existing Roadway Width Between:

- Newberry Blvd & Kenwood Blvd: 44'
- Kenwood Blvd & Edgewood Ave: 46'
- Right Of Way: 100'

Schedule

- Currently in design phase through 2023
- Construction: 2024

- We will host a 2nd Public Involvement Meeting late 2020 or early 2021

We want to hear from you! Please help us make improvements to Lake Drive.

This project will consist of removing the deteriorated pavement and replacing it with new pavement, curb & gutter, driveway approaches and sidewalk, where necessary.

PROJECT ID: 2225-15-00 /70
