

# SOUTH 60<sup>TH</sup> STREET RECONSTRUCTION PROJECT

JUNE 2018

## CONSTRUCTION UPDATE

The reconstruction project of South 60<sup>th</sup> Street from West Cold Spring Road to West Morgan Avenue was staged into four major phases over a two-year period. We are preparing to start the fourth phase of work, with construction taking place on the east side of S. 60<sup>th</sup> St.

## PROJECT FEATURES

- Full reconstruction of the concrete pavement; new curbs & gutters
- Sidewalks will be replaced in necessary areas
- Upgrade storm sewer catch basins
- Replacement of traffic signals and street lighting
- Landscaped medians
- Bike lanes

## WHAT TO EXPECT DURING CONSTRUCTION

The City of Milwaukee works to minimize impact for businesses, residents and the traveling public during construction.

**Traffic:** A single lane of traffic moving in each direction will be maintained on the west side of South 60<sup>th</sup> Street. There will be no vehicular access through the east side of S. 60<sup>th</sup> St. from W. Honey Creek Dr., W. Plainfield Ave., W. Waterford Ave., W. Norwich St. and W. Warnimont Ave. Cross traffic will remain open at the intersections of W. Morgan Ave., W. Forest Home Ave., W. Howard Ave. and W. Cold Spring Rd.

**Parking:** On-street parking will not be allowed during construction.

**Pedestrian Access:** Short-term disruptions will occur when sidewalks are being removed and rebuilt. Temporary pedestrian accommodations will be provided and the contractor will work with property owners to minimize impact.

**Driveway Access:** City staff and the contractor will work to minimize the amount of time any driveway access is restricted and will notify property owners 48 hours in advance of any driveway work.

**Bus Routes:** #64 will continue its regular route

**Construction Hours:** 7:00 a.m. to 9:00 p.m.
