MEDIA ADVISORY

Groundbreaking Today For First New CVS Store In Milwaukee

Ald. Joe Davis, Sr. will take part in a special groundbreaking ceremony later this morning for the first new CVS store in the City of Milwaukee. CVS took over the former Osco Drug locations in the city earlier this year, but the new store at N. 76th St. and W. Perkins (just north of 76th and W. Capitol Dr.) marks the first new CVS location.

The store will be at the site of the former Sentry Foods store, Ald. Davis said. "This new store is very good news for the neighborhood and for other businesses near 76th and Capitol, and I'm pleased to have been a part of making it happen," he said.

The ceremony will include remarks by local officials and CVS representatives. Food and beverages will also be served.

WHAT: CVS groundbreaking

WHEN: 11:15 a.m. today (Friday, July 6)

WHERE: N. 76th and W. Perkins (76th & Capitol)
