CORRECTION/CLARIFICATION

Re: Surveillance Cameras To Help Curb
Crime Along Stretch Of National Ave.

The news release issued earlier today by Ald. Robert G. Donovan contains information that needs to be clarified and corrected.

The first sentence of the news release's last paragraph should correctly read:

Badger Mutual Insurance is paying for the cameras and their installation, and Roundy's foods is paying for the signage. Also, Roundy's security personnel will help monitor the video footage captured by the cameras.

Please make a note of this change. Thanks.
