Tom Barrett
Mayor, City of Milwaukee

Mayor Tom Barrett
City of Milwaukee 2011 Budget Transmittal Statement

Good morning President Hines, members of the Common Council, City Attorney Langley, Comptroller Morics, City Treasurer Whittow, members of the Cabinet, honored guests and residents of our great city.

I want to start by thanking all of you for working with me and our budget staff as we continue to confront the most difficult economic period our city and country have faced since the Great Depression.

Before I speak to my proposed 2011 City of Milwaukee Budget, it's important to acknowledge the hard work and dedication that was on display in response to the July flood and FEMA appeal efforts. First, and foremost, I want to thank the people of Milwaukee who not only cleaned and repaired their own homes, but who also assisted their neighbors in the cleanup effort. I want to thank all our citizens and businesses who volunteered their time and made contributions to the relief efforts. And, I want to thank all those people who patiently cooperated as we worked through the FEMA appeal. To these incredible and inspirational Milwaukeeans, thank you!

Immediately after the flood, we launched a cleanup effort to assist the elderly and disabled. To date we have cleaned 135 homes. The Milwaukee Community Service Corps and volunteer organizations continue to assist the elderly and disabled. Thank you for your service.

We were all disappointed with FEMA's initial decision not to grant Milwaukee flood victims individual assistance. Disappointed, but not deterred. As I said at the time, we would leave no stone unturned in our efforts to get assistance for our residents. On August 18th, with the strong support of Common Council President Hines, we launched an aggressive effort to produce, distribute and collect flood damage survey forms.

On August 20th, FEMA officials travelled to Milwaukee to meet in my office and discuss the appeal process. We reviewed our supplemental information and survey strategy.

Over the next few days, workers collected more than 1,200 forms. We then contacted survey respondents by phone and through a door-to-door canvass.

The results were stunning. A total of 231 properties were identified as having suffered major damage, and hundreds more were identified as having minor, though significant, damage. These results, the product of hard work and dedicated individuals, lead to our successful appeal. I am delighted to share with you that as of this morning, 9,900 applicants have registered and \$6 million has already been disbursed. In addition to city staff who manned the phone bank, I'd like to thank our partners in this important work: Barb Notestein, Joe Kubisiak, and Tim Shermetzler from Safe and Sound and Community Partners.

On behalf of the citizens of Milwaukee, I offer thanks and appreciation to the many city departments who responded to the flood and helped in the aftermath including: The Office of Emergency Management Staff, Steve Fronk Battalion Chief Jim Ley, Lieutenant Kurt Drezek, Desiree Matel Anderson and Gene Oldenburg.

The brave men and women of the Milwaukee Fire and Police Departments who rescued flood victims and brought them to safety. The Department of Public Works Call Center staff as well as Sanitation, Street and Sewer Maintenance personnel. Health Department staff who coordinated the distribution of more than 12,000 cleanup kits. Staff from Intergovernmental Relations, the Department of City Development and our IT department for their work on drafting our supplemental appeal and members of the Common Council and your Aides who assisted and supported the effort.

Now back to the task at hand.

Because of the responsible actions we took last year, we are in a much better position today to confront the challenges that lie ahead.

In our 2010 budget, I decided it was better to make the \$49 million pension contribution than to borrow for it. We had to cut more than \$31 million in operating spending and we eliminated 360 full time equivalent positions. Over the last six years, we have approached each budget with a longer range view. We have not allowed ourselves to get trapped into a "one-year-and-done" mentality. The difficult and challenging budget we passed last year, with over \$31 million in operating cost cuts and making the full pension contribution without borrowing, has produced a level of stability in these unstable times. We have established a budget process that serves Milwaukee well. We identify the issues; address the problems and craft strong solutions. We don't kick the can the down the road and push today's obligations onto future generations.

The budget I present today continues that process. It is a responsible and reasonable budget; a budget that recognizes that the economy has been slow to recover and that our neighbors, our families and our businesses are hurting.

My budget keeps the property tax levy flat, does not increase municipal fees and draws the line on total levy supported borrowing. We would not have been able to do this if we had not made the difficult decisions last year.

Because we made the entire required employer pension contribution without resorting to borrowing, implemented changes to the ERS funding policy and achieved a strong 2009 investment return, the Employee Retirement System now enjoys a funded ratio of approximately 113% on an actuarial basis. The result of these actions is that no employer contribution is required for the 2011 budget. I want to thank Alderman Michael Murphy and Comptroller Wally Morics for their steadfast leadership and guidance on the city's pension issues.

Pension funding is one of the biggest challenges we face. We did the right thing by funding our pension obligations without borrowing. However, it would be irresponsible to pretend that we can ignore the impact that pension contributions will have on future city budgets.

Therefore, my proposed budget includes a \$17.35 million voluntary contribution to the Employer's Pension Reserve. This action represents an important step toward reducing the destabilizing impacts that pension funding could have on future budgets.

It is critical that the Common Council maintains this proposed action as part of the adopted budget. I will veto any expenditure included in the budget adopted by the Council that uses a reduction to my proposed reserve as a funding source.

Last year, we successfully completed collective bargaining agreements with AFSCME, our largest public employee union, which resulted in real savings and continuity in service delivery. These provisions were eventually included in agreements with other general city unions covering the same time periods.

I understand that not everybody in our labor ranks is happy. As we move forward, it is imperative that the city's fiscal integrity, service delivery and affordability remain priorities. I thank the leadership of those bargaining units who have recognized these priorities.

Significant challenges remain in achieving ongoing fiscal sustainability. The increase in health care costs from 2003 through 2011 is 98%. This increase is more than five times the rate of inflation during this same time period. For 2011, the cost increase is \$25.1 million or 21% above the 2010 estimate.

The breakdown in the State's Shared Revenue program has created substantial consequences for the city's fiscal sustainability. Since 2003, the city has absorbed a \$60 million loss in inflation adjusted dollars as a result of changes in State Shared Revenue policy.

In my 2011 budget, I have put in place a plan to implement a vacancy control program that will actually begin in the fourth quarter of 2010. And, to allow for future sustainability, our net reserve use is proposed at \$7 million less than in 2010.

I am proposing four mandatory furlough days for city employees in departments other than the Police and Fire Departments. There will no furlough days for sworn police personnel.

The Police and Fire Departments will continue to receive the resources they need to make Milwaukee a safer city. Included in the 2011 budget is a full year of COPS grant funding. Because of these federal dollars, we are able to increase the sworn strength of the department. This year's police recruit class will be ready to hit the street in early 2011. Under the leadership of Chief Ed Flynn, the men and women of the Milwaukee Police Department continue to stabilize our neighborhoods. I'm pleased during the last year we've added several new crime watch groups. Total violent crime is down 12.3% from last year and 31% from three years ago. Thank you Chief Flynn and the Milwaukee Police Department's brave men and women who serve us so well.

Our Fire Department continues to provide an exceptionally high level of service. The proposed budget will maintain the Fire Department's capacity to respond to fire and medical emergencies at a rate which is superior to national standards. Our Emergency Medical Response Teams continue to outpace our peers in speed and quality of care. The Fire Department response to emergency medical service calls continues to produce impressive results. The Fire Chief is finalizing a plan that will make the administrative structure of the department more accountable and efficient. Again, welcome Chief Rohlfing and thank you for diving right in and making a difference. And to the brave men and women of the Milwaukee Fire Department, thank you for serving the citizens of Milwaukee. I take my responsibility to maintain our city's infrastructure very seriously. If we are to continue to redevelop our city and retain and attract jobs, we must have world class infrastructure.

In 2011, I want to increase our investment in what I call our "invisible infrastructure". Because sewers are out-of-sight, it's easy to underestimate the critical role they play in protecting human health and property. We must address the fact that large portions of the sewer system are approaching the end of their useful life.

The capital budget includes \$14.3 million of important Infiltration and Inflow reduction projects, including a \$2.8 million MMSD grant, to reduce the amount of rainwater that enters the sanitary sewer system. This represents a 75% increase in city investment for this purpose from 2010. The majority of I&I funds will be used to reduce I&I in the public right of way, including inspecting manholes, sealing manholes, and lining sewers.

The Sewer Maintenance capital budget includes a commitment to partner with MMSD on a lateral inspection program. The results of these inspections will be used to craft a demonstration program to address leaking laterals and other issues within a well defined area. I'm committed to working with the Common Council to shape this proposal and to draft appropriate ordinance revisions.

The proposed budget includes \$14.3 million in capital funding for local streets and continues the steady increase in investments we've made since I became Mayor.

The budget for local streets is a 19.1 % increase from the 2010 budget and a 257% increase from the 2004 budget. This budget should allow for the repaving and reconstruction of almost 15 miles of local streets and will also enable a greater level of preservation activity.

The 2011-2016 Capital Improvement Plan for local streets will produce a 61 year replacement cycle, a significant improvement to the replacement cycle of 160 years reported by the Comptroller in 2008.

The 2011 proposed budget includes \$59.8 million for the Major Streets program of which \$51.5 million is grant funding. The 2011 city match is \$8.3 million, which is \$3.6 million higher than the 2010 adopted budget amount.

Nothing is more important to the economic vitality of Milwaukee than the availability of good jobs. I have made a priority of working with the private sector to retain existing jobs and create new employment opportunities. Over the past year, coordinated city efforts have helped attract new employers such as Ingeteam, the Spanish wind energy company, which will employ hundreds of people in a Menomonee Valley factory slated to open in 2011 and Talgo, the high speed train manufacturer moving to Century City. As co-chair of the M-7, I am committed to the cooperative economic development approach we have developed and I have included the city's financial contribution in this years' budget. It's a wise investment and we've achieved impressive results.

Milwaukee is continuing to remediate and market older industrial sites. It is an effort that returns jobs to underutilized land and creates employment opportunities in areas where joblessness is high. Milwaukee's 30th Street Corridor, including the Century City site, is a location of significant redevelopment activity in 2011. I want to thank Alderman Wade for his support and leadership on the corridor's redevelopment.

I also want to thank Alderman Terry Witkowski for his work on the Aerotropolis and for setting the stage for new employment possibilities for our residents.

The Milwaukee Public Library is one of our greatest community assets. This past summer, more than 20,000 school kids participated in the Super Reader Summer Program.

And just this past Friday, I took part in the groundbreaking for a new mixed-use development called Villard Square on 35th and Villard. This four story building includes a new library on the ground floor to replace the current outdated, energy inefficient Villard Avenue Library, with three additional floors of apartment homes for grandparents who are raising their grandchildren. This development certainly adds vitality to the neighborhood. It shows we're doing things differently in Milwaukee, plus these amenities come at a lower cost to taxpayers. I commend Library Director Paula Kiely and Milwaukee Public Library Board of Trustees President Alderman Ashanti Hamilton, for their vision and hard work on this wonderful addition to the Villard Avenue neighborhood.

For 2011, I am including funding so that four Milwaukee Public Libraries can increase their hours of operation. Ten hours of additional public service time per week will enable more kids to get help with school work, more adults to access computer training and all Milwaukeeans to explore new avenues of learning and cultural enrichment.

In the most recent State budget, the State increased the "tipping fees" imposed on each ton of solid waste the city collects from residents and disposes in a landfill. As a result, the city's costs to collect garbage from our residents increased by approximately \$2 million. Collecting garbage isn't cheap, and our costs will only increase if we do nothing. We need to be creative in finding ways to decrease our costs. Today, I'm once again proposing a greener option.

Since this increased cost is based on the number of tons of waste collected, we begin to implement an initiative that aims to reduce the amount of waste generated by city residents. The mandate I've given to the Department of Public Works is to achieve a 40% diversion of Milwaukee's waste from landfills by the year 2020. We have achieved approximately half of that goal so far.

I am proposing to move to a volume based, pay-as-you-throw system that will allow us to decrease the tonnage of solid waste and increase revenues from recycling. My proposed budget includes the initial steps. Rest assured, our popular Clean and Green program will remain intact.

Home foreclosure is a tragedy for individuals and families. The harm extends to neighborhoods throughout the entire city.

From the outset of the foreclosure crisis, I have insisted the city and its partners take an active role in mitigating negative impacts. We have worked together to bring to the table banks and real estate professionals, neighborhood groups and educational institutions, housing counselors and government representatives. We succeeded in obtaining \$35 million in federal resources to support our efforts the latest grant was announced just a

few weeks ago. Cooperatively, we have solved problems, come up with innovative solutions, and prodded everyone involved to step up.

By working together, hundreds of individuals in Milwaukee are in better situations. In some cases, good homeowners have kept their homes through mediation settlements. Yvette Murrell is here today. She's a lifelong Milwaukee resident, and I am glad she remains a caring homeowner in Brewer's Hill. Mediation, reliable homeowner counseling, and responsible lenders are having positive impacts when difficult circumstances arise, and Yvette and her neighborhood are among the beneficiaries.

When the city ends up with properties because of tax delinquency, too often the condition of those houses has deteriorated long before the city steps in. In this budget, we are changing our approach; instead of waiting for the once yearly date to foreclose on tax-delinquent properties, the city will process these matters quarterly in order to better protect individual houses and the neighborhoods where they are located. I want to acknowledge Alderman Bob Bauman for advancing this idea.

We are increasing the expenditures for maintaining city owned foreclosed homes; we are establishing a new fund to start repairs on city owned homes and we are increasing the amount of money we spend to manage and market city owned properties.

The road to economic recovery is rougher than we would have hoped. There are difficult days ahead. That's why it is so critically important to take a longer view; to make the hard decisions and not kick the can down the road so that future generations are saddled with more debt, more costs. We have a responsibility and duty to the people we work for to budget responsibly; to invest reasonably and to protect essential services. Just as we took the bull by the horns in putting the 2010 budget together, I am confident that, together, we will do the same for the hard working people of Milwaukee for 2011.

I look forward to working with you.

**FINANCE AND PERSONNEL COMMITTEE REPORT
ON THE 2011 ADOPTED CITY BUDGET**

Each year, the Common Council's Finance and Personnel Committee reviews the Mayor's Proposed Budget for the City of Milwaukee, and submits its recommended amendments to the Common Council for action.

The 2011 budget was the twenty-first budget in which I have participated, and the seventh I have overseen as chair of the Common Council's Finance & Personnel Committee.

The 2011 Budget reflects the City of Milwaukee's continued use of sound fiscal management practices to address the fiscal challenges it faces, while at the same time providing the services Milwaukee residents expect and deserve. The Common Council's stewardship of the budget, working in close partnership with the Mayor, will result in real-dollar reductions in both taxes and fees for residents. The budget also looks to the future and provides funding to mitigate the impact of anticipated increases in pension costs.

On November 5th the Milwaukee Common Council approved a 2011 amended City budget that lowered the tax levy. The 2011 levy approved by the Common Council is \$246.703 million, down \$51,255 from 2010's \$246.754 million levy, and more than \$49,000 less than the Mayor's proposed 2011 levy. As a result of the Common Council's actions, the owner of an average city home valued last year at \$127,764, and now valued this year at \$123,071, will have a \$6.67 reduction in the city portion of their tax bill.

In addition to lowering the tax levy, the Common Council took action to lessen the impact of fees on most Milwaukee homeowners. The Common Council reduced the annual Solid Waste Charge by \$2.01 from \$170.17 to \$168.16. The Council did, however, increase the Storm Water Management Fee by \$.88 annually to provide necessary funding to maintain the pruning cycle for the City's

trees. The net result of these actions will be an overall reduction in 2011 fees of \$1.13 for most Milwaukee home owners.

While this budget has come with smaller reductions in staff, funding, and services than has been the case in the recent past, it does include sacrifices – sacrifices that everyone who works in City government knows we are sharing with the residents of our City. Members of the Common Council, the Mayor and most City employees will, again, be subject to four furlough days during 2011. Once again, I would like to thank the various unions that agreed to accept up to four furlough days as well as salary freezes in both 2010 and 2011 as part of collective bargaining negotiations. I also think it only fair to mention that both the Common Council and the Mayor have, again, agreed to freeze their salaries in 2011 – the third consecutive year of this freeze.

Despite a reduction in the tax levy, the 2011 budget does manage to provide funding to enhance certain services. For example, four neighborhood libraries -- Bay View, East, Washington Park and Zablocki -- will increase their hours of operation from 35 to 45 hours per week.

The Common Council also provided an additional \$200,000 for police overtime in 2011. The intent is to have more officers out on the street on both foot and bike patrols to better protect the citizens of Milwaukee. And, knowing the importance Milwaukee residents place on public safety, the Common Council affirmed the Mayor's proposal to eliminate furlough days for sworn personnel.

Anyone who has followed the City's recent budgets knows the challenge posed by our pension obligations. Looking to reduce the impact of future costs, the 2011 budget includes a voluntary \$17.4 million contribution to the Employer's Reserve Fund. I am personally very proud, not only of the Mayor and the Common Council, but of all those City officials, including our Comptroller, who supported this initiative. The 2011 contribution combined with the Reserve Fund's anticipated 2010 ending balance of \$9 million and another expected voluntary contribution will mitigate the impact of an estimated mandatory pension payment of \$65 million in 2012.

In action separate from the budget process, the Common Council adopted two pieces of legislation I sponsored to address concerns about the City's pension system. First, the Council adopted legislation that will allow the City to reduce the risk associated with Employer's Reserve Fund investments. Prior to its passage, the reserve fund reflected the pension fund's investments and had been subject to the recent swings in stock market returns. The legislation I sponsored will permit the Reserve Fund portfolio to be placed in investments that are not subject to this sort of market uncertainty.

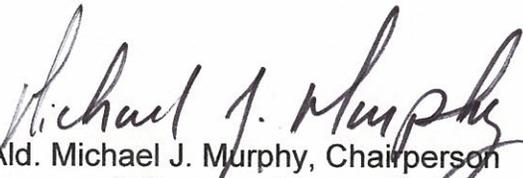

Secondly, the Common Council adopted legislation creating a Pension Task Force. The task force will meet in 2011 to analyze pension funding and benefits

options for meeting the City's future pension obligations without overburdening its already-limited financial resources.

The Common Council also took action in the 2011 Budget to address the level of poverty in the City, which is far too high. The "Milwaukee Promise," an amendment to the 2011 Proposed Budget sponsored by Alderman Ashanti Hamilton and Alderwoman Milele A. Coggs, requires the review of city expenditures associated with poverty, disparity, and inequity. The review will determine if this funding is used effectively and will assist Council members during their review of the 2012 Proposed Budget.

The City is facing daunting fiscal challenges in the near future. I am confident that with careful fiscal management and the continued cooperation of municipal employees, the City of Milwaukee can continue to provide a high level of service to City residents at a cost they can afford.

Sincerely,

Ald. Michael J. Murphy, Chairperson
Finance & Personnel Committee

2011 Budget for 2011 Budget Purposes

III. CLARIFICATION OF INTENT

Employee Fringe Benefits

Employee fringe benefit costs are allocated to operating and capital budgets on an estimated basis for informational purposes only. Such estimated expenditures are 100% appropriation offset for operating budgets and 100% revenue offset for the capital budget to avoid any impact on the city's tax levy. Actual fringe benefit costs, such as health care benefits, life insurance, and pensions, are budgeted separately in non-departmental accounts, which are funded from the property tax levy.

The amount included in each departmental (or budgetary control unit) operating budget on the line entitled "Estimated Employee Fringe Benefits" is subject to adjustment by unilateral action of the City Comptroller, during the budget year, if the actual rate charged against salaries paid is at variance with the estimated rate used in calculating the budgeted amount.

Departmental Salary Appropriations

Department net salary and wage appropriations reflect current wage rates and expenditures and are limited to these amounts. Funding of future salary increases from the Wages Supplement Fund will be restricted to wage settlements only. These transfers must be pre-approved by the Budget and Management Director.

Footnotes

Section 18-06-12 of the Milwaukee City Charter states that the adoption of the budget shall be the authority for the expenditure by a department for the purposes therein provided and of the amounts assigned to the department thereby and no further action by the Common Council shall be necessary to authorize any department to make such expenditures. The City Attorney has advised that footnotes contained in the line item budget are informational only and not controlling over expenditures unless a corresponding resolution specifying the footnote's intent is also adopted by the Common Council.
