# Autism Spectrum Disorders 2014 Resource Directory

**Purpose:**

This resource guide was designed to assist and empower parents in their journey of researching optimal services for their children with Autism Spectrum Disorders by providing information on local resources. New providers are always entering the market, and existing listings may change. We do our best to keep up with changes. We do not expect to have covered all treatment areas or listed all providers. ***Please feel free to contact the Autism Society with additional programs or information you would like to see listed.***

**Disclaimer:**

The Autism Society of Southeastern Wisconsin Resource Directory was developed to provide information only and does not recommend, endorse, guarantee, or promote the services and interventions included in this guide.

## KATIE BECKETT MEDICAID PROGRAM

*The Katie Beckett Program offers a special eligibility process to allow certain children with long term disabilities, severe emotional disabilities or complex medical needs living at home with their family, to access a Wisconsin Forward Health Medicaid card. A child may be eligible for Medicaid through this program even if they are covered under the family's private insurance or if their assets and income are too high to qualify for other Medicaid Programs.*
