

CorVel My Care App

While workplace injuries are never convenient, the CorVel My Care App keeps injured employees connected through their recovery. They can get instant access to indemnity payments, pharmacy cards, treatment information, contacts and claim details.

*Connect Your Employees
with the My Care App.*

Features

- 24/7 access to claim and claim related information
- View indemnity payments
- Access pharmacy card
- View treatment guides
- Check claim details
- Access contact information
- Available in English and Spanish
