## ANNUAL EMPLOYEE ASSESSMENT

### INSTRUCTIONS FOR SUPERVISORS/MANAGERS

#### Administration of Salary Increases

The Department of Employee Relations is authorized under provisions of the Salary Ordinance to develop guidelines and procedures for the administration of pay progression practices established under Common Council File #171293.

Group A employees, including employees part of an official career ladder at the maximum of the career ladder pay range, eligible for a salary adjustment under this Ordinance include:

Section 3 – Technicians
Section 5 – Paraprofessionals
Section 6 – Administrative Support
Section 7 – Skilled Craft
Section 8 – Service and Maintenance

The Annual Employee Assessment form is to be used by supervisors to assess eligible employees for a salary adjustment provided the employee is in good standing. To be in good standing, an employee must receive a Meets Job Requirements (MJR) rating on all factors.

#### Eligibility

Regularly appointed City employees who have passed probation in their current position and have established a salary anniversary date in that position. Salary anniversary dates are established upon completion of twenty-six (26) pay periods of actual service after appointment to the position.

Employees exempt from civil service do not serve probationary periods. To be eligible for a salary adjustment, employees in this type of appointment must complete twenty-six (26) pay periods in the current title.

#### Assessment

The annual employee assessment of the employee is based on the performance level of the employee during the one year period prior to the employee's salary anniversary date.

#### Assessment Factors

Five standardized assessment factors have been provided on the form. Up to two additional factors specifically related to the classification may be added at the discretion of the Department. Those factor(s) are to be identified under 8A and 8B, along with examples that describe the MEETS JOB REQUIREMENTS level of performance. *Additional factors must be applied to all employees holding the same job classification within the Department or Division.*

#### Procedure

Review the instructions and descriptions for each factor. Prepare for the assessment by obtaining documentation such as: informal notes, input from other supervisors, or productivity numbers.

At or near the Salary Anniversary Date, rate the employee's performance based on the factors. Discuss the performance with the employee and provide feedback and suggestions about performance improvement, where needed. Allow the employee to ask questions and assure that he/she understands the requirements for successful performance.

At the end of each assessment session the employee must sign at the bottom of the form. The initialing indicates that the assessment was reviewed, not that there is implicit agreement with the assessment.

Other documentation to show a record of ongoing discussions with the employee may be attached to the form.

#### Ratings

**MEETS JOB REQUIREMENTS (MJR)** – Performance consistently meets the standards and expectations of the position.

**NEEDS IMPROVEMENT (NI)** - Performance on the job is inadequate and does not consistently meet the standards and expectations of the position.

**Note:** *any rating of "NI" must be substantiated by a written statement.*

#### Processing

After the discussion with the employee, distribute the completed and signed form as indicated at the top of the form.

#### Salary Adjustment Denial and Administrative Review

An employee who has been denied a salary adjustment based on the result of an unsatisfactory assessment may ask DER to complete an administrative review of the denial. Written justification for the request for review will be required including the specific areas of disagreement with the department. The scope of the DER review will be limited to the process and the criteria considered in denying the salary increase. DER's finding after such administrative review will be final.
