INTRODUCTION

Located on the western shore of Lake Michigan, Milwaukee is an urban hub bursting with energy. Milwaukee provides a casual sophistication – big city appeal without the big-city hassles. We are accessible and affordable and our residents are welcoming. Milwaukee brings together its unsurpassed old world charm with a breathtaking art museum, top-flight arts and cultural attractions, professional sports, lakefront festivals, recreational opportunities and great restaurants.

PURPOSE

Under the direction of the Electrical Inspection Supervisor, the Elevator Inspector conducts inspections of passenger and freight elevators, chair lifts, accessible lifts, escalators, moving walks, and dumbwaiters. These inspections take place in commercial and industrial buildings to insure that equipment installed in the City of Milwaukee meets the standards prescribed by State and City codes. Inspection work includes testing elevators and reviewing plans or specifications for new or existing elevator installations.

ESSENTIAL FUNCTIONS

- Research the American Society of Mechanical Engineers (ASME) A17.1 Safety Code for Elevators and Escalators, the State of Wisconsin Department of Safety and Professional Services Administrative Code Relating to Elevators, Escalators and Lift Devices, and the Milwaukee Code of Ordinances for determining compliance.
- Inspect new or existing elevators, escalators, moving walks, moving ramps, dumbwaiters, and other types of passenger and freight elevators to ensure compliance with the applicable codes.
- Identify faulty or inadequate construction methods or code violations during on-site inspections.
- Supervise drop tests of safety devices under the direction of the Wisconsin Department of Commerce on all elevators as required by the State Elevator Code.
- Witness safety, load, and speed tests on passenger and freight elevators.
- Advise owners, contractors, builders, architects, and other elevator installation personnel of modifications necessary for elevators to become compliant with current regulations.
- Explain code violations and other issues to owners of buildings, business representatives, and professionals.
- Draft and send to owners legally enforceable orders to correct conditions in cases of noncompliance.

- Investigate and resolve referrals and service requests from citizens, alderpersons, and representatives of other departments.
- Review plans and approve permit applications for new elevators or modifications to existing elevators.
- Prepare testimony and testify in municipal court against owners of buildings for failure to correct violations of the code.
- Prepare testimony and testify at the City of Milwaukee Standards and Appeals Commission meetings for orders that are appealed.
- Maintain accurate records of inspections, including detailed reports on complaints and rejections.
- Ensure that each contractor obtains proper permit(s).
- Ensure that all documents and test forms are in the elevator machine room.

Reasonable accommodations requested by qualified individuals with disabilities will be made in accordance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.
