INTRODUCTION

What Milwaukee can offer YOU

Located on the western shore of Lake Michigan, Milwaukee is an urban hub bursting with energy. Milwaukee provides a casual sophistication – big city appeal without the big-city hassles. We are accessible and affordable, and our residents are welcoming. Milwaukee has evolved through the years, bringing together its unsurpassed old world charm with a breathtaking Art Museum, top-flight arts and cultural attractions, professional sports, lakefront festivals, recreational opportunities and great restaurants.

PURPOSE

The Public Works Inspector inspects the installation of sewer and water mains, asphalt and concrete pavement, building sewer laterals, water services, water plant work, tunnel and monolithic concrete sewer construction, bridges and other miscellaneous construction.

ESSENTIAL FUNCTIONS

- Inspect the construction of sewer, water, paving, and asphalt resurfacing projects to ensure compliance with plans and specifications.
- Determine that all materials and quality of work meet established standards.
- Ensure that line and grade points comply with markings on the engineers' stakes.
- Prepare accurate daily records, including making sketches of work in progress or completed work and technical project changes.

- Interpret plans to ensure that installations are in compliance with legal requirements, safety regulations and construction standards.
- Act as a representative of the City of Milwaukee at the construction site.
- Serve as the first point of contact for questions from contractors, City staff, and the public regarding the status of projects; receive complaints and recommend solutions or escalate to a manager for resolution.

Reasonable accommodations requested by qualified individuals with disabilities will be made in accordance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.

CONDITIONS OF EMPLOYMENT
