INTRODUCTION

What Milwaukee can offer YOU

Located on the western shore of Lake Michigan, Milwaukee is an urban hub bursting with energy. Milwaukee provides a casual sophistication – big city appeal without the big-city hassles. We are accessible and affordable, and our residents are welcoming. Milwaukee has evolved through the years, bringing together its unsurpassed old world charm with a breathtaking Art Museum, top-flight arts and cultural attractions, professional sports, lakefront festivals, recreational opportunities and great restaurants.

PURPOSE

The Water Accounting Manager directs, guides and supervises the operations of the Accounting Services Work Unit of the Milwaukee Water Works (MWW) and is responsible for overseeing the operating budget preparation for the entire Utility, including the administration of payroll activities, and for overseeing expenditure processing and control for the MWW. The Water Accounting Manager directs the principles and regulation for account methods and documentation within the Milwaukee Water Works in compliance with the Government Accounting Standards Board (GASB) and Public Service Commission of Wisconsin (PSC).

ESSENTIAL FUNCTIONS

- Supervise accounting activities; outline and review office methods and procedures to conform to the Uniform System of Accounts prescribed for Public Utilities by the Public Service Commission (PSC); supervise

preparation of annual financial and operating reports to the PSC; supervise preparation of the annual MWW reports and statements to be part of the City's Comprehensive Annual Financial Report (CAFR).

- Manage and direct all payroll functions including timekeeping and ensure compliance with the City of Milwaukee Salary Ordinance and all other applicable laws and regulations.
- Maintain procedures, records, statistics and any other information required for water rate analysis on a current and projected basis; make frequent reports of current and projected status and maintain all information in a manner for use as substantiating exhibits in water rate increase requests to the PSC.
- Coordinate preparation of MWW budget for submittal to proper City departments; consult with the Water Financial Manager on budget and in the preparation of Common Council resolutions requiring extraordinary fund expenditures, carryovers, etc.
- Oversee the preparation of financial and operating statements and furnish information from department cost and other records to other City departments, consulting engineers and other MWW sections; study any special problems; follow Common Council resolutions relating to construction programs, creation of funds and positions, issuance of bonds, processing grants and other MWW matters.
- Conduct internal audits of accounts covering all revenues and expenditures and establish and coordinate accounting and reporting procedures between the Accounting Unit and all other MWW sections.
- Manage the proper use of ProCard for the department, including processing requests for new ProCard issuance, deleting users, and changing transaction/cycle limits. Arrange for training of cardholders and act as the liaison between department and Procurement Service for ProCard administration.
- Supervise the Accounting Services Work Unit, including hiring, performance evaluations, discipline and other personnel matters.

Reasonable accommodations requested by qualified individuals with disabilities will be made in accordance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.
