All new employees hired into a position subject to this residency requirement and any incumbent employee who at any time has his/her position designated as subject to this residency requirement, are granted a period of time not to exceed six months from the date of hire or the date upon which the emergency designation becomes effective. The six month period following the effective date of the adoption of the rule expires on May 6, 2017. Employees who are subject to this residency requirement may request extensions or temporary exceptions from the Commission in accordance with the authority delegated to it by the City Charter.
