Ald. McGee Questions Police Policy Of Assigning Officers To Districts Where They Have Been Involved In Shootings *In Letter to Police Chief Ald. McGee Asks That They be Transferred*

In a letter to Police Chief Nannette Hegerty, Ald. Mike McGee, Jr. said he is having a difficult time comprehending why there is a policy that allows an officer who is involved in a shooting of a citizen to work in the district where the incident occurred. The alderman said it is disrespectful to residents and he asked that two officers be transferred to other police districts for the emotional stability of the community, families and officers.
